

PLANE BREMEN OVERDUE AT NEW YORK

City Considers Land Sale B.C. Electric Is Purchased

BULK OFFER FOR ALL CITY LOTS IS TALKED OF

City Sets Price Between \$1,000,000 and \$1,500,000 on Unreserved Block of Properties for Outright Sale; Field Representatives of Responsible Southern Group Here to Look Over Ground at First Hand

Investigation into the possibility of purchasing city-owned property in Victoria not reserved for corporation use is proceeding to-day at the instigation of a responsible group of financial interests of Los Angeles, whose field representatives are in the city now.

The city is withholding the names of the parties concerned until the negotiations have reached a more tangible stage. It is known, however, that the city has been asked for a price on its unreserved lands, and that information was furnished by the Mayor and Council which has now led to an investigation at first hand by the parties concerned.

ASSESSED VALUE OF \$1,739,980

At present there are 2,317 properties on the city's books for which a sale would be considered. These have an assessed value of \$1,739,980.

It is understood the city has tentatively proposed the sale of these lands in bulk, on the usual terms of one-quarter cash and the balance over five years at six per cent, for an upset price midway between \$1,000,000 and \$1,500,000.

This would, should the present investigations support the city's representations on the case, pave the way for a tangible offer on the land. The properties include many choice residential areas on streets fully improved, and fairly evenly divided in all parts of the city.

\$234,000 CASH

A successful outcome of the present negotiations would indicate a cash payment to the city in the neighborhood of \$234,000 with the assumption of the balance of any purchase price agreed upon on terms to run five years at the regular rate of interest. Taxes would be assumed on the property during the period, it is suggested.

The revenue derived from the operation of the City Lands Department in the years 1926-27 totaled \$302,594, and these operations disposed of properties on which \$260,000 worth of improvements were placed, substantially in excess of the upset charges on the reverted properties involved.

In a statement issued to-day Mayor J. C. Pendrey said that the representatives from Los Angeles were in Victoria to-day for the purpose of investigating the properties held by the city for sale. He said that the identity of the parties could not be disclosed, he said, but they were acting for responsible interests of Southern California.

The party arrived last night, and will spend the next three days in a tour of the city-owned properties under the guidance of the Mayor and Council, with M. Kirkpatrick Crockett, City Lands Commissioner.

SCHOOL PARENTS ASK EXPLANATION

Burnaby High School Dispute Is With Chairman of Board

Edmonds, B.C., April 13.—Demanding substantiation or retraction of certain statements attributed to H. Stanley, chairman of the Burnaby School Board, in a recent criticism of C. G. Brown, principal of the Burnaby South High School, about thirty parents of children attending the school are asking the trustees to face a public meeting. Considerable feeling is voiced by the parents.

The following resolution, passed unanimously at a meeting of these thirty parents in the Municipal Hall here last night, has been forwarded to the board:

"We, a group of parents whose children are attending the Burnaby South High School, feel very keenly the statement that appeared in a Vancouver newspaper of Thursday, April 5, and to have been made by the chairman of the Burnaby Board of School Trustees, and endorsed by his colleagues.

GRADUATION OF ST. JOSEPH'S IS SCENE OF BEAUTY

St. Ann's Auditorium Filled to Overflowing Last Night

"In 1876 nursing was first inaugurated at St. Joseph's Hospital, when two sisters, Sister Mary Bridget and one other, took nursing training, and in turn trained three other sisters. These five formed the training staff and Miss McNamara, who is now living in retirement at the hospital, was the first nurse to graduate from St. Joseph's."

In 1900 the first training school was established and since that date over 300 nurses have graduated from this institution. Sister Mary Bridget must indeed be proud to have lived to see the enterprise which she "mothered" so many years ago develop into such a successful undertaking.

This brief sketch of the history of St. Joseph's training school was given by Dr. J. W. Lennox, president of the hospital staff, at St. Ann's auditorium last evening on the occasion of the graduation exercises of the 1928 nursing class. The auditorium was packed to the doors, over one hundred spectators having to stand at the back of the hall, so large was the crowd.

London Lord Mayor Lacks Time To Go To New York City

London, April 13.—The Lord Mayor of London and his gilded coach will not visit New York this year.

Sir Charles Batho said yesterday he greatly regretted the fact that he was unable to accept an invitation extended to him by Mayor J. J. Walker to go to New York and bring his ancient coach and gaily liveried footmen.

TWO FIREMEN WERE INJURED

Astoria, Ore., April 13.—Two firemen were injured and the Burke Fish Packing Company's building here was destroyed by fire last evening.

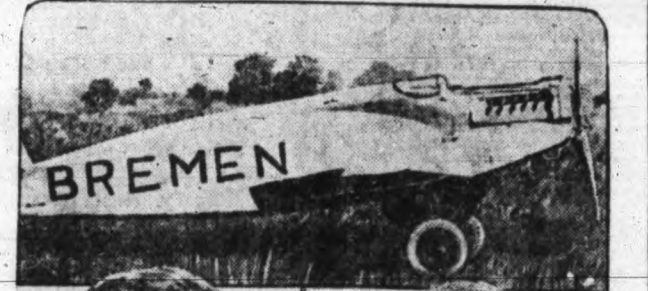

The fire, of undetermined origin, caused a loss estimated at from \$75,000 to \$100,000, covered by insurance.

EFFORT TO ROB COMPANY FAILS

Thugs Drill Safe at Britannia Mines, B.C., But Payroll Not There

Vancouver, April 13.—An attempt to rob the \$15,000 payroll of the Britannia Mining and Smelting Company here was foiled last night when a small safe in the office building at the mines was found smashed, according to reports to provincial police.

WHEREABOUTS UNKNOWN; ATLANTIC PLANE BREMEN

Above is a picture of Capt. Herman Koehl, German war ace, pilot of Bremen, who had as his co-pilot, Col. James Fitzmaurice, when the plane left Ireland Thursday morning. The third man was Baron von Huenefeld.

CAR CRASH TOTAL HIGH FOR MARCH

Over 140 Machines Involved in Street Mishaps, Police Report Shows

A. G. H. McCoy, 1358 Hampshire Road, is in St. Joseph's Hospital to-day, suffering from a dislocated shoulder, a cut neck and body bruises, following an automobile collision at the intersection of Cook Street and Pandora Avenue at 2:45 o'clock this morning. John Jenner, driver of the second car, was not seriously hurt.

Constable George Varney from police headquarters attended the scene of the mishap with the patrol wagon, and Driver Wilkinson.

He reported that the automobile driven by Mr. McCoy was proceeding east along Pandora Avenue and Jenner's machine was traveling south on Cook Street, both of them approaching a blind corner. The cars met with terrific impact in the middle of the road. Mr. McCoy's car turned over on its side and "was badly damaged."

Dr. Gordon Kenning was called to attend Mr. McCoy and ordered him immediately to St. Joseph's Hospital.

MAN STRUCK DOWN

A few hours earlier, William Hitchen, 2171 Bartlett Avenue, was struck down at the intersection of Johnson and Douglas Streets, when he slipped off the curb in front of a car driven by T. W. Mayfield, 412 Ker Avenue. The accident occurred at 11 o'clock. There was little traffic on the street at the time.

Mr. Hitchen sustained a fractured right leg and was ordered to the Jubilee Hospital by Dr. Thomas Miller.

TEN THIS WEEK

Last night's traffic accidents brought the total of persons injured in street mishaps this week to ten. Quil Eng, one of a party of four Chinamen hurt in a wreck on Gorge Road, almost bled to death before he was given treatment.

Constable Frederick Poole, of the City Police Department, was struck down while riding his bicycle on patrol duty, early in the week. He is recovering.

Last week's road toll was not so heavy, but there were four persons hurt in a collision on Gorge Road when Theodore Robinson's machine was driven into collision.

BIG TOTAL

In March, according to figures compiled by the department, 110 automobiles were involved in collisions, and eleven more struck pedestrians. There were eight crashes between automobiles and bicycles, raising the total to 130. There were twelve cases of automobiles colliding with street cars, three reports of cars striking poles or fences and two of the machines striking clusters of light standards.

COUNTERFEIT BILLS AROUND

Victoria detectives are on the lookout for United States counterfeit bills which are in circulation in Vancouver, and which, it is feared, may be brought here. Vancouver authorities have warned traders to look carefully at all bills of \$10 denomination as a number have been circulated which are nothing more than raised \$1 bills.

COSTES-LEBRUX FLIGHT

Beirut, Syria, April 13.—Dieudonne Costes and Josef Lebrux, French fliers headed for Paris from the Orient, landed at Aleppo this morning from Basra, Iraq. They expect to leave shortly for Athens or Brindisi.

British Group To Reorganize Under Canadian Charter

Deal Is Consummated, Government Advised; Sum of \$50,000,000 Said to Be Involved in Transaction Which Will Give Rothermere and Associates Controlling Interest; United States Attempt to Purchase Company Is Defeated

Sale of the controlling interest in the British Columbia Electric Railway Company to a syndicate headed by Viscount Rothermere, Britain's most powerful newspaper publisher, has been completed, it was indicated by cable advices received at the Parliament Buildings to-day.

The big power, light and transportation concern with extensive operations in Victoria, Vancouver and surrounding districts will be reorganized under a Canadian charter as a result of the transaction completed in London, it was announced. Despite efforts of influential United States interests to secure control of the concern it will remain under British ownership.

TO BE BRITISH

The deal consummated in London was announced to Premier MacLean in a cable from MacKay Edgar and George Prescott, who visited British Columbia early this year to promote the transaction. In their cable to the Premier, they said:

"We are sure from the interview you were kind enough to give us when in Victoria in January of this year that you will be interested to know that on our return to London we formed a syndicate headed by Viscount Rothermere, who in conjunction with our Canadian friends has made an offer to purchase the stocks of the B.C. Electric Railway Company. We became aware of powerful American interests in New York who were desirous of obtaining control and are very pleased to be able to inform you that this company will continue to be for British interests and is to be changed into a company with a Canadian charter."

(Concluded on page 20)

TO DISCUSS IMMIGRATION

Ottawa, April 13.—Sir Henry Thornton, president of the Canadian National Railways, E. W. Beatty, president of the Canadian Pacific Railway, and Sir Joseph Flavelle will be asked to appear before the agriculture committee of the House of Commons, dealing with immigration matters. A motion to this effect was passed by the House this afternoon.

'CASH' BURGLAR ELUDES POLICE

Series of Burglaries Over Year Attributed to One Prowler

The "cash" burglar has left his vanishing trail behind once more. The mysterious prowler who has eluded police here and in Oak Bay for a year, entered another home yesterday morning, some time before 2 o'clock, while the occupants of 1040 Pendergast Street were absent. He missed \$25 hidden away and left the house without a trace.

He apparently, city police and detectives are anxious to reach some tangible evidence which can give them a trace of the burglar. Three times in the last week he has been reported, invariably operating in the same way, attempting to enter houses where he believes there are no occupants and choosing the time when the owners are temporarily absent to make his calls.

He shows no desire to steal anything but money, and has spurned jewelry and silverware.

The man is thorough in his search. In the last house he entered he threw the place into disorder, turned drawers over, tore beds to pieces, and sought in every conceivable place for the money he seemed to know was hidden somewhere there. He failed, however, to find the little roll of bills hidden away by a careful housewife.

CROWD AT MITCHEL FIELD BUT ATLANTIC PLANE DOES NOT ARRIVE THERE

Bremen, Carrying Three Men From Ireland, Not Seen in Vicinity of New York City at 4 p.m., Forty Hours After It Left Baldonnel, Though Report of Plane Being Sighted Over Nova Scotia Came From Ship's Captain

New York, April 13.—Forty hours had elapsed at 4 o'clock this afternoon (1 p.m. Victoria time) since the German monoplane Bremen was launched upon its daring flight from Baldonnel, Ireland, across the North Atlantic to New York. At that hour no authentic word had been received as to the fate of the three airmen—Capt. Herman Koehl, German war ace, Baron von Huenefeld, backer of the flight, and Col. James Fitzmaurice, head of the Irish Free State Air Force—who started on their perilous flight with the entry in the log, "To Mitchel Field or Heaven."

NEW FERRY LINK WITH MAINLAND

Publicity Bureau Consider Proposal for Service Between Edmonds and Victoria

Ferry Alabama Purchased in Baltimore By Pacific Steamship Interests For Route

With the reported backing of H. F. Alexander and the Robert Dollar interests, a new fast motor ferry service between Seattle and Victoria is to be inaugurated in May.

Directors of the Publicity Bureau learned of the proposals at their meeting this morning at the Chamber of Commerce.

"Our function as a publicity bureau is to encourage all traffic in this direction, but it would be improper for us to use public money and money contributed to our support by interested companies, to promote or bring into existence new competition," said David Leeming, president. "We are in a position where we want to bless and not hurt."

TWO TRIPS DAILY

The service being arranged for calls for two trips each way a day. The water trip will be shortened and speeded up by the landing at the Sea-View end being made at Edmonds, fourteen miles out of Seattle. It will cut down the boat trip to Victoria to fifty-seven miles.

CAPT. FAYNE IN BALTIMORE

Associated with the Pacific Steamship Company interests in the proposed operation of a ferry service between Edmonds and Victoria is Capt. Howard Fayne, who, with Captain Crosby, was identified with the establishment of the first automobile and passenger ferry between Anacortes and Sidney.

To-day's Awards In Musical Festival Competitions

MORNING SESSION

First—United Church—(Graham Morgan adjudicating).

Class 6—Girls' choirs, other than public school, under sixteen years, competing for F. W. Francis's challenge shield, five schools competing: 1, St. George's School, Miss D. Ball; 2, St. Margaret's School, O. Townsend; 3, Fairfield Junior Choir, Mrs. Georgina Watt; and Victoria School of Expression Choir, Mrs. Wilfred Orr, tied, 150. Test pieces, (a) "When Daisies Pled," (Dr. Arne); (b) "Whispering Willows," (two parts, (Lobbett).

Class 5—Corus solo, junior (under nineteen years), competing for silver medal by W. J. Virtue. Own selection: 1, Hugh McKenzie, 80; 2, Jackie Miller, 80.

First Baptist Church—(Dr. Fricker adjudicating).

Class 24—Vocal duet, S.A., competing for the Mrs. D. E. Campbell silver medals; three entries: 1, Mrs. Arthur Dowell and Mrs. Georgina Watt, 86; 2, Marjorie Watson and Dorothy Hartree, 85; 3, Viola and Verlie Johnstone, 80. Test piece, "The Melody of June," (H. E. Hunt).

Class 20—Vocal solo, soprano for preliminary only, competing for the Jackson Family silver medals; thirteen entrants: Mrs. W. H. Wilson, Grace Mary Stephens and Mrs. Colin MacLean (Vancouver), selected for evening's finals. Test piece, "Big Me Discours," (Bishop).

(Concluded on page 13)

WINS TIMES TROPHY WITH HIGH MARKS

Miss A. Bucklin, Daughter of American Consul, Wins Trophy With 198 Marks

The Victoria Daily Times trophy offered for the highest marks in any of the violin classes at the second annual musical festival, was last evening awarded to Miss Adele Bucklin, who won it with 198 marks out of a possible 200.

Miss Bucklin's test pieces were the Minuet Trio in D by Mozart, and the Romance from the Second Concerto by Wieniawski. Besides the Times Cup trophy, Miss Adele also took the silver medal cello class in the class for entrants under nineteen years of age, winning the W. C. Fyfe silver medal, her test pieces for this class being the Schubert-Etude for Cello and Kreisler's "Liebesfreud."

Miss Bucklin is the fourteen-year-old daughter of U.S. Consul and Mrs. George A. Bucklin of "The Oaks," Oak Bay Avenue, and is a pupil at the Oak Bay High School. With her sisters, the Misses Mary and Velma Bucklin, Miss Adele has become well-known in local musical circles during her comparative short residence in Victoria, appearing on numerous occasions with the popular Bucklin trio, the piano, the cello and the violin.

GREEKS CRUSH PANGALOS PLOT

Eleven Officers Arrested in Athens; Ex-Dictator Sent to Crete Prison

Athens, Greece, April 13.—Discovery of a Pangalos plot and decision to send General Theodoros Pangalos to Crete were announced here to-day. Eleven officers were arrested last night in connection with the plot.

A letter stating Madame Pangalos, wife of the ex-dictator, had contributed 300,000 drachmas (\$3,900) to the conspirators was seized.

General Pangalos has been in prison in Athens awaiting further years on a charge of treason growing out of his rise to power in July, 1926. At that time he assumed the dictatorship and subsequently became President. He was ousted by General Kondylis in August of the same year, and imprisoned.

Madame Pangalos was arrested in connection with Pangalos plots last October, and later released.

(Concluded on page 13)

HEAD WINDS

Washington, April 13.—The weather bureau and navy hydrographers figured to-day that the German Atlantic plane Bremen would have to fight head winds all the way down the coast that might delay their arrival at Mitchel Field.

RUMORS HEARD

Mitchel Field, New York, April 13.—A crowd, tired of rumors which had fed its enthusiasm since early morning hung on longed for this afternoon, determined to be on hand should the transatlantic Bremen at last arrive from Ireland.

Optimism which had been unreasonably buoyed up earlier waned steadily and gave way for just as unreasonable pessimism.

DOUBTS VOICED

When reports began to go around of a plane seen over Nova Scotia they were accepted as fact. Lack of verification, however, resulted in a spreading cynicism and when later rumors came in of a plane seen over Maine and Massachusetts, they were received with scoffing doubt.

At 3 p.m., the crowd at the field was roughly estimated at 3,000.

The plane, which was sure it was chiefly concerned with trying to figure out how much longer the Bremer could stay in the air, if no mishap had befallen already.

REPORT FROM SHIP

Kingsport, N.S., April 13.—A plane, flying very high and proceeding west-southwest, was sighted over Kingsport at 10:30 Atlantic Standard Time (6:30 Victoria time). This sighting was reported by the captain of the Canadian Government Merchant Marine steamship Arras.

Captain Barkhouse said it was too high to distinguish any markings which might be the Bremen, the German Atlantic plane.

He said several other persons had seen and heard the plane.

FUEL LIMIT

New York, April 13.—With fuel for only half an hour more at most of flying, at 4 p.m. Eastern Standard Time, the monoplane Bremen, carrying three men, was unreported on its flight from Ireland to New York beyond a Canadian press report that a plane which might be the Bremen had passed over Nova Scotia this morning.

It was forty hours after the start from Baldonnel and more than seven hours after Captain Barkhouse of a Canadian steamship had reported having sighted high over Kingsport, N.S., a monoplane he believed to be the Bremen. No other points reported the passing of the craft, although it then would have been well down the coast, with clear weather, nearing New York.

OFF-SHORE COURSE

It was pointed out, however, that much of the route lay off shore and that at the previous rate of flight the plane could not be expected at New York before 3:30 p.m. It was believed to have sufficient fuel for flight one hour after that.

He has news about Oh Henry!

TOMORROW YOU'LL HEAR IT.

UTILIZE TIMES WANT ADS

Lady Choristers Impress Musical Festival Judges

Adele Bucklin Captures Times Cup for Violinists; Schubert Club Retains Colonist Shield; 500 School Children Again Sing in Competition; Chairman of School Board Opens Session; Oaklands School Wins; Ladies' Quartettes and Trios Are Outstanding Features; Baritone a Good Class

"Some really fine singing. It is a surprise and a delight to me to hear such excellent choral work in the West," so said Dr. A. H. Erickson at last night's sessions before he delivered his adjudications in the ladies' choir competition.

This contest created huge interest. Those present, although expressing their partisanship when each choir appeared on the platform, cheering the winners tremendously. Three choirs were in competition, the now famous Schubert Club, Frederick King, found and conductor, which got first place with a total of 178 marks, the First United Church Ladies' Choir, W. C. Pyke, choirmaster, ranked second, with 174 marks, and third place going to the Metropolitan Ladies' Choir, George A. Downard, choirmaster, with 172 marks. Following the adjudications immense interest ensued when it was announced that Dr. Erickson would conduct the combined choirs. This he did in his well-known, alert manner at the conclusion of which storms of applause burst from all parts of the

building. In winning again the Schubert Club retains The Daily Colonist Shield. George Jay, the chairman of the Victoria School Board, opened the evening's programme. He said he could only follow what previous prominent townsmen had already said and wished the Festival Association every possible luck. He was glad that the association was assisting the musical ambitions of the children of the public schools in setting aside so much of the festive programme for school choir competitions. On behalf of the School Board, he was glad to say this personally in the hearing of the public.

DAILY TIMES CUP

An interesting event was the presentation of The Daily Times Cup to the talented young violinist, Adele Bucklin, who obtained the highest number of marks in the violin classes. She received hearty and well-deserved applause when handed the cup by President J. G. Brown.

Other interesting events were the finals in Class 12 vocal solo, Evelyn Valiant; in Class 30, baritone class, Thomas Rhodes, who won the secretary's gold medal; and George Hallett, winner in the open class 61 elocution, heard in two of the test numbers, and the winners in Class 22, quartette, S.A.B., The First United Church "C" quartette.

AFTERNOON SESSION

First United Church; Graham Morgan, Adjudicator.

Intermediate Grades 3, 4 and 5 (not less than forty-five voices and at least 25 per cent of either sex), ten schools competed—1, Oaklands School, Miss Stubbs, 162; 2, Tillicum School, Miss Kinnaird, 160; 3, George Jay, and Sir James Douglas tied for third place, 154 marks.

Test pieces: (a) "Windy Night" (unison) (C. Yehers Stanford); (b) "Evening Voices Softly Sounding" (two part) (Weber).

First Baptist Church (Dr. Fricker, Adjudicator)

Class 26—Vocal solo, baritone, final: Thomas Rhodes, J. Almond, James A. Thom (Vancouver), George Bishop, representing Franklin High School, Portland, Ore. Test piece, "The Bellman" (Cecil Forsyth).

Class 22—Quartette, S.A.B.: 1, First United Church "C" quartette, 85; 2, First United Church "A" quartette, 83; 3, First United Church "D" quartette, 81.

Class 35—Piano solo, junior, under 13 years; preliminary and final: 1, Edwin Comber, 183; 2, Victoria Cross, 182; 3, Marion Patton, Vancouver, 180.

Test pieces: (a) "The Ash Grove," unaccompanied (Dunhill); (b) "Rondo from Sonata in G Minor," op. 47, No. 1 (Beethoven).

City Temple Hall (Carl Denton, Adjudicator)

Class 58—Piano solo, junior, under 13 years; preliminary and final: 1, Edwin Comber, 183; 2, Victoria Cross, 182; 3, Marion Patton, Vancouver, 180.

Test pieces: (a) "The Ash Grove," unaccompanied (Dunhill); (b) "Rondo from Sonata in G Minor," op. 47, No. 1 (Beethoven).

New Thought Temple

Class 58—Elocution senior: 1, Dorothy Bird, 178; 2, Betty R. Jennings, 175; 3, Helen Moss, 174. Test pieces: (a) "The Grand Seigneur" (Dr. William Henry Drummond); (b) "Twelfth Night," extract from act 2, scene 2 (Shakespeare).

Class 61—Elocution, men, open; preliminary and final: 1, George H. Hallett, 185; 2, Wilfrid Ord, 171; 3, R. F. Blandy, 168; winner receives the Miss K. Agnew gold medal. Test pieces: (a) "To Mary in Heaven" (Dr. Helmecken); (b) extract from "Outward Bound" act 22 (Sutton Vane); (c-2), "Salome," Herod's speech (Oscar Wilde).

Evening Session

Class 12—Vocal solo, soprano, under 19, final: 1, Evelyn Valiant, 165; 2, May Lewis, 163; winner of Fredrick King silver medal. Test piece, "The Lass With the Delicate Air" (Dr. Arne).

Class 30—Vocal solo, baritone, final: 1, Thomas Rhodes, 162; 2, James A. Thom, Vancouver, 160; 3, J. Almond and George Bishop, tied, 157.

Class 23—Ladies' trio, S.S.A.: 1, First United Church ladies' choir, Mrs. W. H. Wilson, Mrs. T. B. Bowden and Miss E. McKay, 85 marks; 2, Misses G. Marchant, E. Brumpton and M. Piercy, 78 marks. Silver medals awarded by Lady Barnard and Mrs. Hermann Robertson.

Winner of Class 61—Elocution, open: George H. Hallett, recited two of the three test pieces of the afternoon competition, Robert Burns's "To Mary in Heaven" and Oscar Wilde's "Salome." Herod's speech, followed by the winners in class 22 quartette, the First United Church "C" quartette, the latter receiving silver medals donated by Cymadorion Society of Victoria.

Class 45—Violin, open; one competitor, Mary Hallisey, Vancouver, 168 marks. The only other entry from Seattle, being absent. Winner gets the gold medal given by Dr. F. W. Maunsell. Test pieces: (a) "Nocturne in F flat" (Chopin-Sarasate); (b) "Valse Capriccioso" (Wieniawski-Auer).

Class 18—Ladies' choir, no limit, competing for The Daily Colonist Shield: 1, Schubert Club, 178; 2, First United Church ladies' choir, 174; 3, Metropolitan ladies' choir, 172. Test pieces: (a) "The Nightingale," accompanied (Weekes); (b) "The Wind," accompanied (Sweeting).

GRADUATION OF ST. JOSEPH'S IS SCENE OF BEAUTY

(Continued from page 1)

BEAUTIFUL CEREMONY
The ceremony was one of great beauty. All across the front of the proscenium were ranged the floral tributes to the graduates from their many friends. Baskets galore of lovely Spring blossoms, the scarlet and white colors of the nursing school reflected in masses of tulips, roses and carnations, were banked on either side of the stage. Into this beautiful setting filed the graduating nurses in their snowy uniforms, twenty-one in all, who took their seats at the front of the stage. At the back of them were ranged tier after tier of student nurses of

later classes, each wearing a shoulder knot in ribbons of scarlet and white.

THE GRADUATES

After the opening musical programme which included vocal numbers delightfully sung by Miss Eva Hart, with Mr. Ira Dilworth at the piano, and Capt. A. T. B. Laybourn with Major Watts at the piano, Dr. Aylward, interne at St. Joseph's, announced the names of the graduates as follows:

The Misses Olive E. L. Morrison, Portland, Ore.; Elsie Fairhurst, Nanaimo; Caroline Deacon, Mayne Island; Janet Down, Vancouver; Verna G. Smith, Summerland; A. Helen Crockett, Victoria; Madge Ashley, Cheshire, Eng.; Charlotte L. Pluck, Victoria; Alice M. Cumberland, Merritt; Geneva M. Spurr, Victoria; Gwendolen M. M. Gray, Royton; Janet G. Wilson, Victoria; Mabel F. Anderson, Victoria; Ida M. Reece, Victoria; Marion A. Bellis, Victoria; Margaret Johnston, Vancouver; Dorothy E. Rowland, Victoria; Irene E. Dykes, New Westminster; Isabelle L. Stoddart, Victoria; Ellen W. Cameron, Victoria; Kathleen Gann, Victoria. Medical Radiology and X-ray Technique—Olive E. L. Morrison, Portland, Ore. Pathological Laboratory Technique—Alice Agnes Baines, B.A. Victoria.

Each graduate, as she was called stepped down to the front of the stage to receive her diploma and a word of congratulation from Dr. W. T. Barrett, while the Rev. Mother-General pinned on the medal. A bevy of tiny girls handed to each graduate the basket of flowers or bouquets sent by parents and friends and as the nurses resumed their seats with their floral tributes the stage gradually assumed the appearance of a bower of flowers.

BURSARIES PRESENTED

Bursaries and prizes were then presented by the various donors. The bursary for the most efficient work first year nursing, presented by the Graduate Nurses' Association of Victoria, and equally merited by the Misses Kathleen Gann and Isabel McMillan, was drawn by Miss Dwyer, and Miss Franks, president of the association, presented the bursary, together with flowers and a book. Miss August Campbell's bursary, together with a bouquet, went to Miss Bessie Newbold, who tied with Miss Ada Groves for the efficient work in second year nursing and won the bursary. Miss Madge Ashley received the bursary presented by the St. Joseph's Ladies' Auxiliary for the highest marks in examinations for three years, and she also won the prize presented by Dr. A. G. Price for the highest marks in examinations for communicable diseases.

After the eloquent valedictory read by Miss Kathleen Gann with much charm, the graduates stood and recited the Florence Nightingale pledge, then all the nurses sang the school song, "Loyal and True," with clear, young voices.

PRIDE IN PROFESSION

Dr. Lennox after briefly reviewing the history of St. Joseph's nursing school touched upon the attributes of the perfect nurse and said, "Never be afraid to make it known that you are a Canadian and a graduate of St. Joseph's Hospital." He also reminded them that forty Canadian nurses had given their lives in the great war, thus carrying to the highest degree the spirit of sacrifice which is one of the profession's high ideals.

Dr. Barrett, the chairman, in a very brief address congratulated the Sisters upon the beautiful ceremony and the Class of 1928 in reaching the first milestone in their nursing career.

LIEUTENANT-GOVERNOR

His Honor the Lieutenant-Governor, who was accompanied by Miss MacKenzie, received an ovation on rising to address the nurses. He amusingly referred to the occasion as the third on which he had attended a St. Joseph's graduation, and as the course of training in nursing was three years he wondered what was to be his reward. In a black cat which perambulated the hall throughout the evening, His Honor said a happy augury for the future of the graduating nurses.

The Lieutenant-Governor wished them great success in their journey after leaving the comfortable harbor of St. Joseph's to face the unknown seas for their training had singularly well fitted them to face any storms which might arise. He warmly congratulated the Sisters upon the excellence of their institution of which, in the three years he had been attending the graduating exercises and other functions connected with the hospital he had learned to be an ardent admirer.

Rev. Bishop O'Donnell recalled the words of Mary, the Mother of Jesus, in prophetic vein and the Sisters had faithfully lived up to his charge by turning out nurses of the highest type to carry on the work of the hospital.

FINANCES OF HOSPITAL
With reference to the financing of the hospital, the Bishop said, "There is an erroneous impression abroad that St. Joseph's is a wealthy institution. It is not true. The financing is not easy, but the Sisters of St. Ann must look after themselves. They get no

help from Quebec or Europe. St. Joseph's cost \$400,000 and it must be financed by the Sisters, by their own sacrifices and by their trust in God. They have been here for a long period and they are here to stay. They have performed a great service for the community cheerfully and lovingly, never receiving any outside help from any quarter for the maintenance of St. Joseph's, and I feel sure that they will have the support of the people of this city without distinction.

After the singing of the National Anthem the gathering dispersed.

graduates and nurses, together with their many friends, repairing to St. Joseph's Hospital, where dancing took place in the nurses' recreation room, many members of the medical profession joining in the little celebration. The recreation room and the Sisters' community room, where supper was served, were most attractively decorated with scarlet tulips and white blossoms, and red and white streamers.

During the evening the graduating nurses assembled in the Providence parlor at the hospital to be duly enrolled as members of the Alumni Association. Mrs. Harry Beach, the president, assisted by Miss Taylor and Mr. Grubbe, welcomed the new members

and pinned on them the Alumni pin, adding her meed of congratulations to the many tributes showered on the young graduates.

POLICE INQUIRY IS STILL UNDER CONSIDERATION

Government to Review Vancouver Corruption Charges; Silent Meanwhile

Vancouver, April 13.—Police Commissioner T. W. Fletcher said this morning that he had complete confidence in the integrity of R. S. Lennie and A. H. MacNeill, appointed by the city council as commissioner and counsel, respectively, to investigate police force affairs in Vancouver.

"I will place all the evidence in my possession before those men and will co-operate with them to the fullest possible extent in the performance of their work," said Mr. Fletcher.

Plans of the Vancouver civic authorities for an investigation of police affairs were explained to Attorney-General Manson this morning by Mayor L. D. Taylor. It was indicated that the arrangements made last night for an investigation by R. S. Lennie, with A. H. MacNeill acting as counsel, would be satisfactory to the Government, which has held from the beginning that the investigation was a matter to be handled by the city itself.

"I believe the investigation arranged for last night will satisfy the people of Vancouver generally," the Mayor said. "The reputations of Mr. Lennie and Mr. MacNeill are such that the public will have complete confidence in their work," he believed.

EARLY START

"We hope to get the investigation under way at the first of next week and there will be no delay in the proceedings. It is generally felt, I think, that the whole matter should be cleared up as rapidly as possible."

Mayor Taylor came here to attend the state ball in honor of Viscount Willington, Governor-General, at Government House to-night and took the opportunity to inform Mr. Manson officially of the decision of the Vancouver authorities to investigate the police situation.

H. J. Cambie Is Ill in Vancouver

Vancouver, April 13.—H. J. Cambie, one of Vancouver's distinguished pioneer citizens, who assisted in the building of the Canadian Pacific Railway in the west, is seriously ill at his home. He is in his ninety-second years.

CROWD AT MITCHEL FIELD BUT ATLANTIC PLANE DOES NOT ARRIVE THERE

(Continued from page 1)

metal construction provided practically no buoyancy.

PLANE IS U.S. MACHINE

Portland, Maine, April 13.—A plane which passed Popham Beach, Maine, at the mouth of the Kennebec River at 120 p.m., and half an hour later was observed from the half-way Rock Light, between the Kennebec and Cape Elizabeth, was sighted through a powerful telescope by United States coast-guardsmen as it passed Cape Elizabeth at 2 p.m., headed west.

The plane, they reported, was a bi-plane, while the Bremen is a monoplane. The plane's number was made out as 1148, while the Bremen is listed as D-1167.

This plane previously had been observed over Portland before 1 o'clock.

NOT SEEN BY SEALERS

St. John's, Nfld., April 13.—Steamships of the Newfoundland sealing fleet, operating 280 miles northeast of St. John's, reported by radio to-day that they neither had seen nor heard anything of the Atlantic plane Bremen. The fleet covers an area of about 150 miles.

The strong southeast wind which sprang up this morning brought with it rain and snow to-day.

MAN OF EXPERIENCE

Halifax, April 13 (Canadian Press).—Officials of the Government service here place great confidence in the judgment of Captain Barkhouse, now at Kingsport, who reported sighting an aeroplane flying very high there at 1030 a.m., Eastern Standard Time, this morning.

The sky was clear, Captain Barkhouse said, but the plane was at such height that its markings could not be distinguished. The fact that it was a monoplane led him to believe it was the German Atlantic plane Bremen.

Another man in Kingsport said he had not seen the plane, but had heard it distinctly for five minutes. Captain Barkhouse, who has had long experience in the Canadian Government merchant steamship service, judged the plane he saw was on a direct course for Cape Cod and expressed no surprise that no other report of its being sighted had been received in the next three and a half hours.

Ottawa, April 13.—Officials of the Canadian Air Force here state that as far as they know no Canadian plane is in the air in the vicinity of Kingsport, Nova Scotia.

YARMOUTH REPORT

Yarmouth, N.S., April 13.—An unconfirmed report states the Bremen passed over Yarmouth at 11:45 a.m. today, Eastern Standard Time.

(Yarmouth is near the southwestern extremity of Nova Scotia.)

REPORT UNCONFIRMED

Quebec, April 13.—According to a minute wireless report relayed here from New York, the transatlantic monoplane Bremen was sighted passing over Newfoundland at 1:30 this morning. This report lacked confirmation.

NEW YORK PREPARATIONS

New York, April 13.—With New York the goal of the transatlantic monoplane Bremen, which started from the Baldonnel aerodrome near Dublin, at 5:38 a.m. Thursday, Irish time, elaborate plans were made to receive the airmen. Baron Ehrenfried Gunther von Huenefeld, sponsor and passenger-handyman, and Captain Herman Koehl and Col. James Fitzmaurice, pilots, since the plane was not expected until

DIAMONDS RECOVERED

Seattle, April 13.—Two diamonds, said to be worth \$1,000, were found in clothing buried ten feet below the surface of a garbage dump here yesterday. The clothing had been removed from the body of Mrs. F. C. Kyle, who was killed

by her husband in their home here Monday. Relatives requested the search of the garbage dump after they had failed to find the gems in the late Mrs. Kyle's property. The garbage collector showed the place where he had emptied the load he had gathered in the neighborhood of the Kyle home.

B.C.E.R. Control Deal Involves \$50,000,000

Vancouver, April 13.—George Kidd, president of the British Columbia Electric Railway Company, received yesterday from the office of the company in London, a cable notifying him that an offer had been made for the purchase of the preferred and deferred ordinary shares of the company by

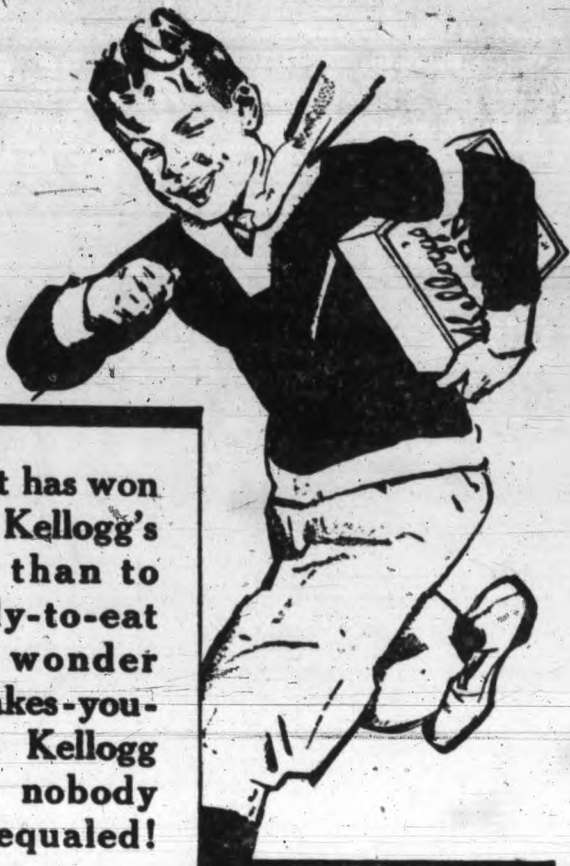

Lord Rothermere and Canadian associates. Beyond this notification Mr. Kidd had no other information.

The deferred and preferred ordinary shares of the B.C.E.R. have a par value of \$9,880,000. At the price of \$240 per one hundred pound share of the preferred and £280 per hundred pounds for the deferred ordinary shares, which has been offered, the deal would represent a transaction involving approximately \$50,000,000.

REPORT TELLS OF LEGION GROWTH

Kamloops, April 13.—The British Columbia Command of the Canadian Legion was told at its annual convention here yesterday by Robert MacNicol, secretary-organiser, that there were now ninety-eight chartered branches of the Provincial organization, with 7,315 members. In addition, he said, there were twenty-six chartered branches of the women's auxiliary. Twelve

new charters had been issued since he had taken office in October, 1927, three new branches had been organized, and four new charters had been granted to women's auxiliaries. More than 1,700 new membership applications had been received within the past six months.

In recommending that the Dominion command of the Legion be urged to reduce its per capita levy from \$1 to 75 cents, Comrade MacNicol stated two-thirds of the per capita levy made by the provincial command went to the Dominion command. This averaged more than \$400 a month. If this levy were divided equally between the Dominion and provincial commands, it would mean the British Columbia command would be placed on a self-supporting basis without having to resort to campaigns for the purpose of raising funds.

He also recommended that the Provincial Government be asked to make a grant towards the fund of the command. This was already being done by the governments of Saskatchewan, Alberta and Manitoba, he said.

Ss. Princess Kathleen takes an excursion to Seattle Saturday, May 12, leaving at 9 a.m.

MAY REVISE REFERENCE ON WATER POWERS

Provinces Would Restrict
Supreme Court Questions to
Be Arqueed Soon

St. Lawrence Scheme In-
volved in Ruling on Federal
and Provincial Control

British Columbia has become interested indirectly in the St. Lawrence great waterway scheme, not the dominant issue before Parliament, as a result of negotiations which are proceeding now in preparation for important legal proceedings before the Canadian Supreme Court.

In order to clarify legal questions surrounding the waterway project, as well as similar matters all over Canada, the Canadian Government is asking the Supreme Court to decide where federal powers over water power end and where provincial powers begin. But the question which the Federal Government plan to submit to the Supreme Court as a reference is so broad that several provinces are urging that it be made more specific and restricted in scope. No final decision has been reached yet, but it is thought here the question as originally framed may be revised at the wish of several provinces.

IS BIG QUESTION

As it stands, the question which would go to the Supreme Court involves the entire control of water powers by provincial governments and the functions at present exercised by the provincial authorities without restriction. Provincial governments interested in the matter feel that all questions of power jurisdiction affected by the St. Lawrence scheme could be settled by a less general reference to the Supreme Court.

The provinces also are urging that the reference, due to go before the Supreme Court at its May sitting, be delayed in order that there may be more time for preparation by provincial officials.

CITY JOINS IN HEADLIGHT WAR

Chief of Police John Fry
Backs Saanich Force in
Campaign

Many Accidents Blamed on
Dazzling Rays

"Although there is not the same menace to traffic from dazzling, improperly focused headlights within the city limits as on the country roads, the men of the City Police Department have long been warning motorists to conform to the law governing headlights," said Chief of Police Fry this morning, commenting on the campaign against dazzling headlights started by Saanich police.

Wednesday Chief of Police Rankin of Saanich took action in a campaign to eradicate the glaring headlight menace. To-day Chief of Police Fry stated that he was in full sympathy with the campaign of the Saanich police.

STANDARDIZATION

Chief Fry made on recommendation when talking of the dangers from high powered headlights improperly directed on the road. There should be some standardization of these lights to assure proper focus, he said. It was totally unnecessary for a driver to have a blazing beam of light stretching far ahead of him on the road. He required only to see sufficiently far ahead to avoid running into trouble.

NO CITY PROBLEM

While the blazing headlight was not a city problem to the same extent as it was in the rural municipalities, Chief of Police Fry explained, nevertheless, the great bulk of the traffic came under the direction of the city officers from time to time, and it was through his men that most effectual work could be done.

HEADLIGHTS BLAMED

A few nights ago Constable Frederick Pook was struck down by a motorist who claimed that dazzling headlights were the cause of the mishap. The officer has not yet recovered.

Last Monday morning, four men in a motor car on the George Road turned over and missed death by inches, and the driver of that car blamed blinding headlights. One man is near death.

The week before last, on the West Saanich Road, a motorist took the bank when powerful headlight rays blinded him. He was not hurt, but the car was wrecked.

Chief Fry agrees that co-operative effort on the part of police of all municipalities will aid to remedy a dangerous situation.

FOREST CAR TO COVER ISLAND IN LONG TOUR

Will Carry Fire Prevention
Lesson Into Every Popu-
lated Centre

Carrying its message of forest fire prevention into the remotest corners of Vancouver Island, the Canadian Forestry Association's lecture automobile will start to-day on its Spring and Summer tour. Ernest Abiet, as lecturer, will have charge of the tour, which will commence at up-Island points immediately.

The car, equipped with motion pictures which will teach the gospel of fire prevention, will spend three months on the island visiting every community accessible by road. Some 4,000 miles will be covered on the island and on the Lower Mainland, and the tour will not conclude until September.

The lecture programme includes a talk on forestry, particularly as regards the fire menace, the exhibition of motion pictures on forestry, recent British Columbia news events and industrial scenes.

SIDE GLANCES — By George Clark

URGE ANGLE CAR PARKING

Police Commission Hears Re-
commendation From Busi-
ness Men

Chief of Police John Fry and Traffic Inspector John T. Boulton have been asked by the Board of Police Commissioners to make written reports and recommendations in connection with a request from a number of merchants to compel automobiles to park at an angle of forty-five degrees on the south side of View Street, between Government and Douglas Streets.

The request, put before the board by J. A. Griffith, on behalf of a number of city merchants, was read at the meeting yesterday afternoon. The change, it is claimed, would allow more cars to be parked along that street and would be an advantage to persons occupying offices and stores in the adjacent buildings. At present cars are

parked parallel to the curb on the south side of View Street.

There was no discussion last night on the subject, but it is expected this may be one of the items up for discussion at a special meeting of the commission and the City Council Monday night to discuss amendments to the Street Traffic By-Law.

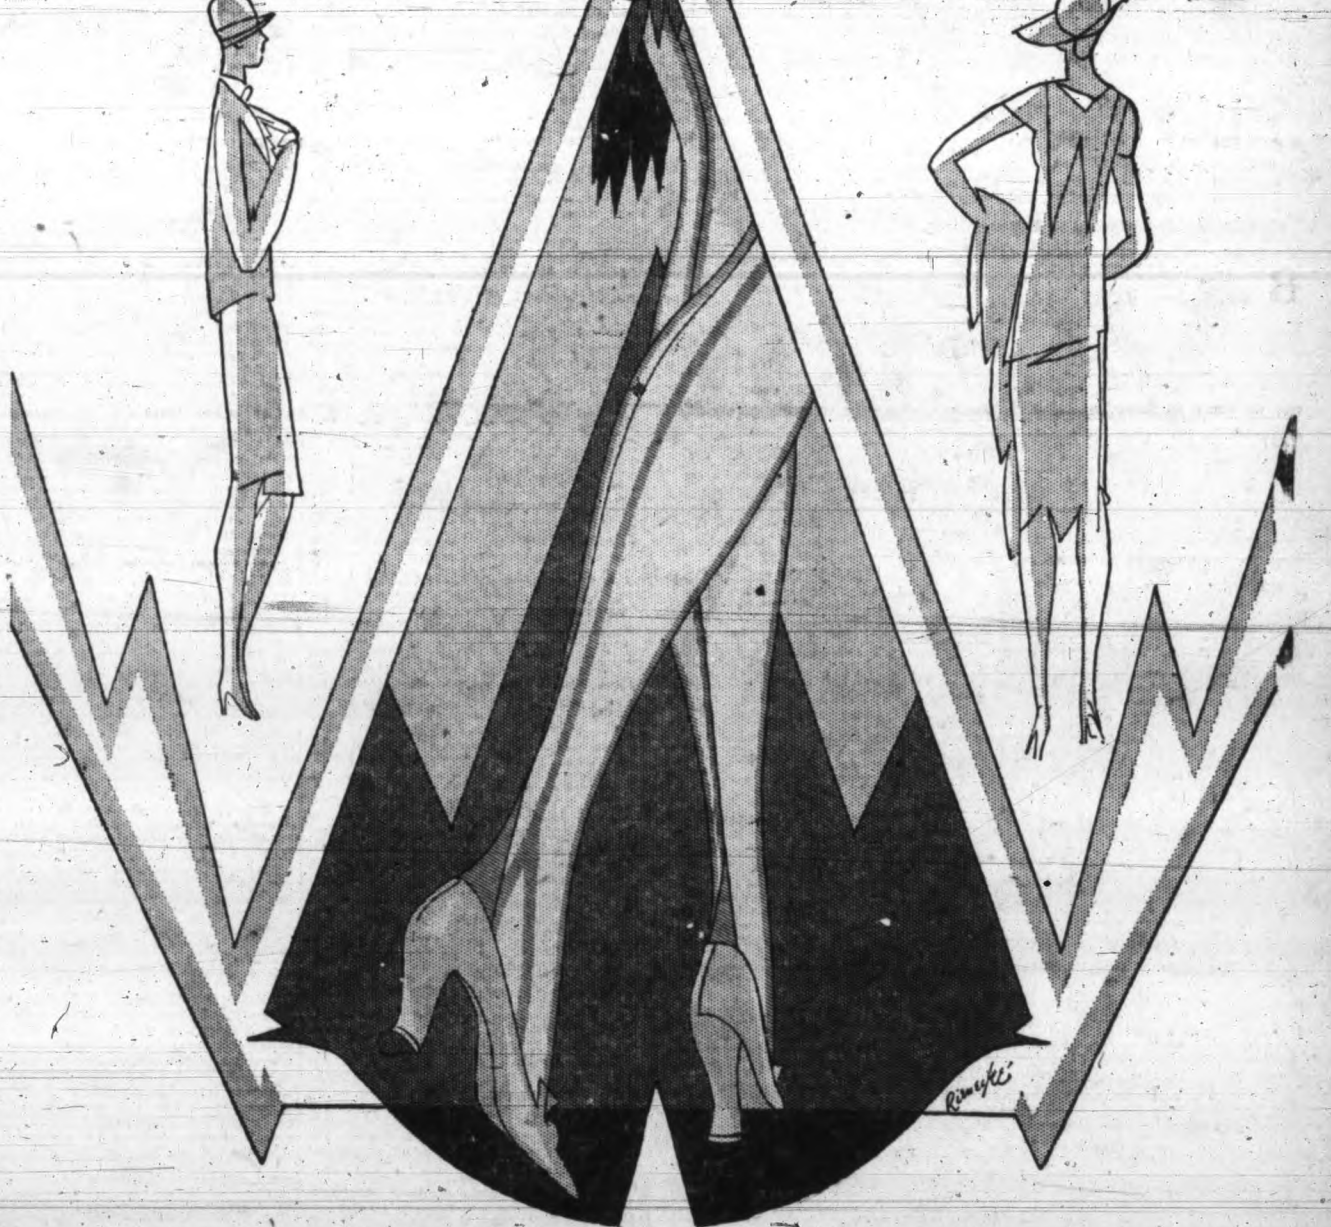

Movies Are For Morons, Says Actor

Birmingham, Ala., April 13.—"Movies are made by and for morons." That's the startling assertion made here by Richard Bennett, star of "The Barker," a stage presentation.

"The morons who play in moving pictures are worse than the other morons who go to see them. I don't believe there are twenty people in the moving picture industry who could act on the legitimate stage."

So saying Bennett autographed a picture of himself and handed it to the reporter. He had written: "One conceded ass to another conceded ass—From Richard Bennett." Which part of this story do you believe?

"SLIPPER HEEL"

To achieve a slim, trim ankle, wear

Kayser

SLIPPER HEEL* hose—style no 88x

In Kayser Style No. 88x, medium in weight and pure silk to the narrow hem, the Slipper Heel* is intriguingly designed to seemingly reduce the ankle by inches! Prove it to yourself by wearing a pair. For appearance, durability and downright value, no silk stocking can compare with Kayser Style No. 88x.

VETERANS ENJOY OLD-TIME GAMES

At Frolic For Scots' Colors at Crystal Garden Monday

Few entertainments held in the city have provided as much and varied amusement in one evening as is being planned for the frolic which will take place on Monday evening next at the Crystal Gardens under the auspices of the Municipal Chapter of the Imperial Order, Daughters of the Empire. There will be dancing on the different dancing floors of the Crystal Garden to the music of good orchestras; swimming events, cabaret numbers—in fact, a feast of varied entertainment. The old-time pastimes of the troops behind the lines will be featured, and various musical numbers to be sung by artists of the Commodore Broughton Chapter assisted by specially rehearsed choruses.

Different Chapters of the Daughters of the Empire, all of which are assisting in this entertainment, are planning special features, and it is expected that those who attend this function on Monday next will enjoy the event of the season.

The proceeds are to be devoted to the purchase of Regimental Colors and otherwise aiding the Sixteenth Canadian Scottish Battalion.

Cumberland

Cumberland, April 13.—Robert Yates Jr., Mrs. Malpass and children spent the Easter holidays at Extension.

Miss E. Till spent the Easter vacation in Vancouver and will return at the week-end.

Mr. and Mrs. J. Parfitt, Miss Parfitt and Miss Wilson of Victoria were the guests of Mr. and Mrs. F. Horwood over the week-end.

Mrs. Williams of Crowfoot Farm, Minn., is spending a few weeks in Victoria.

Mrs. Bracewaite of Enderbury was the Easter guest of Mrs. Carter of Minto.

Miss Calnan of Minto spent the Easter holiday in Victoria.

Mr. A. Smith, principal of the Minto School, is spending the Easter holiday in Vancouver.

Vancouver High School of Commerce girls' basketball team captured the McDonald Cup, emblematic of the championship of the Province, when they defeated Courtenay High School girls at Courtenay on Saturday evening by a score of 25-2.

Easter week-end was marked by an exodus of Cumberland residents who scattered to the various cities for the holiday. Visitors to Vancouver, many of whom are making a more extended stay, included Miss Josie Balagano, Miss Dolena Wilson, Mr. and Mrs. John Thompson, Mrs. J. H. Cameron, Mrs. A. Ross, Miss Christine McKinnon, Mr. and Mrs. J. Sutherland, Dr. Bruce Gordon, Miss Laura Robertson, Miss Christine Sutherland, Miss Edith Hood (who was accompanied by her sister, Miss Edna Wood of Duncan), Miss Phyllis Partridge and Miss E. Till. Visitors to Victoria included Dr. Bruce Gordon, Miss Laura Robertson, Miss Jane Graham, Mr. Harry Simms, Miss Kate Bartoldi, Miss Jean Smith, Mr. Robt. Cowie, Mr. Wain, Mrs. V. Martineau, F. Martineau, Jr., Harold Conrod, Mr. Kinderley and little son Donald, Mr. and Mrs. R. Tolman and Mr. and Mrs. J. Badie.

Mr. J. Lockner, Jr., and Miss Mildred Lockner motored to Ladysmith over the week-end.

Mrs. E. R. Hicks and Master Albert left on Monday for Vancouver. Dr. E. R. Hicks, accompanied by Mrs. J. Watson, crossed over on Tuesday.

The Misses Lora and Charlotte Carey are spending the Easter holidays in Seattle. Miss Evelyn Carey, who is attending the Normal School in Victoria, returned home for the holiday.

Mrs. L. Finch left on Monday for Victoria, where she will spend Easter week.

Mr. and Mrs. J. C. Brown and Miss Isabel motored to Victoria over the week-end, returning on Monday accompanied by Miss Lorna McCourt of Nanaimo, who will be their guest for a few days.

Miss Jessie Baird who has been teaching school at Deep Cove, near Salmon Arm, returned home for the Easter holidays.

Mrs. J. Marpole and Miss Monny Marpole spent the Easter vacation in Nanaimo.

Mrs. C. Whyte has as her guest Mrs. Cowie of Courtenay.

The Rev. E. O. Robathan returned from Vancouver and Nanaimo on Thursday after a two weeks' stay.

Miss Margaret Robinson spent the Easter week-end in Nanaimo, the guest of Miss Olga Owen.

Miss Jean Burns of New Hazelton, who is at present a student of Columbia College, New Westminster, is the guest of the Rev. and Mrs. J. Hewitt.

Mr. and Mrs. Jack Polkthorne, Miss Jennie Lougham, Mrs. Robertson and Mrs. Dunn motored to Cumberland on Good Friday to spend the holiday with Mrs. Jack Devlin and Mrs. E. Roberts.

Mr. J. Ledingham received the sad news by cable on Friday morning that his father, Mr. Alexander Ledingham, of Alloua, Scotland, had passed away.

Mr. and Mrs. J. Weir have received news of the serious illness of their daughter, Mrs. Darch, wife of Judge Darch of Long Beach, Cal.

Mr. and Mrs. W. P. Symon left on Saturday for Ladner, B.C., where they attended the funeral of Mrs. Symon's father, Mr. Donald Montgomery.

The "Croneles" Burns Club held their fortnightly whist drive and dance in the Memorial Hall Saturday evening. Fifteen tables of whist were in play, the prize winners being Mrs. J. Murray, Mrs. C. Grant, William Collins and P. Monaco. Traveling prizes were also given, and were won by Mrs. C. Grant and W. Collins.

The death occurred on Monday, April 9, of Hugh Miller of Minto, one of the pioneers of this district. Age seventy years and eight months. Born in Scotland, the late Mr. Miller came to Union twenty-seven years ago, during almost thirty of which he has been a resident of Minto, with the exception of a short time spent in the North, when he joined the Klondike rush of '98. Mr. Miller was an employee of the Dunsmuir Mines and later of the Canadian Collieries Co., until two years ago, when, failing in health, he was forced to retire. He leaves to mourn his loss, his wife, five sons, Sam, John, William, George and Robert.

William, John, Tom and George, and six daughters, Mrs. Margaret Hugo of Minto, Mrs. Elizabeth McFale of Burnaby, Mrs. May Monks of Deep Bay, Mrs. Flora Stroud of Ontario, Mrs. Joseph Armstrong of Nanaimo, and Mrs. Christine Miller at home; also twenty-one grandchildren.

A number of friends of Miss Bernice Stant surprised her recently on the occasion of her fourteenth birthday. A very pleasant evening was spent in games and music, the winners in the spin the plate and guessing contest being Winona Baird and Douglas Baird. Miss Stant served dainty refreshments, the table being graced with a handsome birthday cake. Those present included Winona Baird, Daniel Stant, Harriet Horburn, Jack Watson, Margaret Herd, Norman Ellis, Alma Ellis, Joe Williams, Casuko Iwasa, Archie Welch, Isak Nakano, Tom McMillan, Dilys Williams, Charlotte Stant, Nina Shields, Marion Combs, Lena Tom, Raymond Sargent, William MacNaughton, Douglas Baird, Harry Westfield, John Combs, Cyril Davis and Floyd McMillan.

The many friends of George Dakers will be glad to know that he has sufficiently recovered from his recent severe accident to leave the hospital.

Mrs. Auchterlonie, Miss Vincent Auchterlonie and Mr. A. Mann spent a few days in Vancouver last week.

Mr. and Mrs. George Smith of Minto are receiving congratulations from the Cumberland General Hospital on Wednesday, April 4.

A number of friends of Mr. Ernest McDonald paid him a surprise visit on Wednesday evening of last week, spending a very pleasant time in music and games. Dainty refreshments were served by Mrs. McDonald, assisted by the Misses Edith Hood, Jessie Brown and Sadie Brown. Among those present were the Misses Jessie Brown, Sadie Brown, Irma Knowlton, Isabel Herd, Edith Hood, Maud Baird, Margaret Robinson, Owen Emily and Leslie Dando, Archie Dick, George Brown, William Bennie, Geo. W. Brown, William Brown, John Auchterlonie, Tom Dunn and Ernest McDonald.

On April 3, the senior pupils of the Bevan School held a "Good English" under the direction of their teacher, Miss Edna Gear. Miss Vivian Oyston, thirteen years of age, grade VII, was the winner, making but one mistake in the two oral and one written examination. Miss Doris McKenzie and Cynthia Thompson made perfect scores in the oral tests, but made three mistakes each in the written tests. Judges of the bee were Mr. Ralph Gibson, Mr. John Miller, and Mr. Len Harding. Mr. Harding presented The Vancouver Sun silver medal to the winner.

Robert Ball, B.A., son of the late Markham B. Ball and Mrs. L. M. Ball of Comox has been awarded a fellowship in chemistry at the University of Illinois. Scholarships valued at more than \$5,000 have been awarded to six graduates of the University of British Columbia by the National Research Council of Canada.

HOCKEY, BOXING, FIRST DIVISION CLUBS MEETING IN SEMI-FINALS, WINNING PLAYERS IN WORLD'S SERIES WILL GET ABOUT \$1,200, FIELDING IS IN FINE SHAPE FOR TILT WITH BURGE, "Alex the Great" At Forty-one, Holds His Spell Over Pirates

Stanley Cup Is Still Looking For Home and Fifth Game Necessary

New York Rangers Even Series With Montreal Maroons When Frank Boucher Completes Fine Play by Bill Cook and Drives Puck Into Net for Only Goal of Game; Deciding Game Will Be Played To-morrow Night; Rangers' Defence Men, Abel and Johnson, Star

Montreal, April 13.—The Stanley Cup, professional hockey's greatest prize, is still without a home for 1928. The New York Rangers last night hung a 1-0 defeat on the Montreal Maroons and thus tied up the cup series at two wins and two losses each. The teams will battle it out Saturday night in the fifth and deciding game of the series, the winners to take the cup and world's championship, the long end of the prize money and any other honors that are at stake.

In winning, the Rangers produced as fine a brand of hockey as they have shown in their games at the Forum this season. Their main strength lay in their defensive work, at which that hefty pair, Ching Johnson and Taffy Abel, shone. Back of them was the unbeatable goal-tending of Joe Miller, who was brought in to replace Lorne Chabot, regular Ranger goalie, when the latter was seriously injured in the second game of the series.

The local team's offense was somewhat disorganized by the absence of Joe Lamontagne, right-winger, who was put out of the game through having incurred a penalty on Tuesday's game. Paul Thompson, of the Rangers, was also out of the game through a match penalty.

THE ONLY GOAL

The only goal of the contest was scored by Frank Boucher, centre player of the visitors. The scoring play was started by Johnson, who carried as far as the blue line. He then passed over to Bill Cook on the right wing. The latter was forced behind the Maroon net and apparently out of danger, but he still managed to hold on to the puck. He quickly snapped a pass out in front. Four men, two Maroons and two Rangers, then struggled for the puck. A Ranger got it, but Benedict stopped the shot. As the puck bounded out front again, Benedict fell. Boucher quickly snapped up the rubber and shot it over the prostrate goalie's body into the net.

Despite their splendid play last night the Rangers remain on the short end of the betting for the final game to-morrow. Supporters of the Maroons are convinced that the team will show its real form in the deciding game, although it must be admitted that they will find the going particularly rough and stiff if the Rangers' defence holds up like it did last night.

GOOD FIGHTERS

The Rangers certainly show their class when they have their backs to the wall. On Saturday night they clipped the Maroons on the nose when it was a hundred-to-one shot that they would be badly trimmed. The Maroons won the opening game on Thursday and were applying much pressure in the second game when Chabot was injured. Lester Patrick went into the net, and the fans expected to see the veteran, grizzled with puck. But the New York defence closed up like a clam and the forwards back-checked like fends and the Maroons were licked. Last night defeat for the Rangers would have shamed them out of the picture and have crowned the Maroons with champions. Now the teams must go the limit of five games. The players only participate in the receipts of the first three games, so that they will have to work in the two extra games for nothing.

A GREAT GAME

To-morrow's game should be a grueling tussle, with the defences playing a great part. Orders will be leveled on the players of both teams to stay on the ice. Penalties may be the deciding point of the battle.

The game will attract the greatest crowd of the season. The four games already played have attracted 11,000 or more fans, while every seat has been grabbed up for the fifth game.

FIRST PERIOD

Rangers opened on the attack and the visitors had the first few shots on goal. A rush by the Cook brothers looked particularly dangerous, and only a good save by Benedict kept the New York players from jumping into an early lead.

The Montrealers soon got going, however, and as the visitors showed no signs of slowing down, the pace became fast and open. Both nets were being tested in turn as the players sped from end to end.

Towards the half-way mark in the first period, the pace showed signs of a lull, with most of the play being centred around mid-ice. Bourgault went off for tripping Munro, and the Maroons rushed to the attack. They had the Rangers' defence in a clear once again excitement gripped the crowd. Rangers, however, played safely on the defensive, and held on until Bourgault's return. A second or two later he was replaced in the penalty box by Oatman, who upset Bun Cook.

CLOSE CALLS

Rangers opened up and rushed the Montreal net. On the first play, only one tight work by Benedict kept the visitors from jumping into the lead as Bill Cook and the Maroons' defence shot at the net from close in. Johnson drew a minor for bumping Smith, and the teams were even.

Oatman returned, and in conjunction with Phillips, got in for several dangerous shots on the Ranger net. Johnson came back, but his place on the bench was filled by Hootley Smith, and the Maroons were one short. They held on, however, until the centre man's return.

When Smith got back to play, he almost beat Miller when his fast drive

FIRST DIVISION CLUBS MEETING IN SEMI-FINALS

Double-header at Royal Athletic Park To-morrow in Jackson Cup Series

West's Meet Esquimalt in Opening Fixture; Thistles Battle Five C's in Second

Soccer fans will have an opportunity to witness two games at the Royal Athletic Park to-morrow afternoon, when four First Division clubs meet in Jackson Cup semi-finals. The two games will be for the price of one which should be an added attraction. The programme is as follows:

2:30 p.m.—Victoria West vs. Esquimalt. Referee, Alock.

4:15 p.m.—Five C's vs. Saanich Thistles. Referee, Oliver.

The game between the Wests and Esquimalt should be a keenly contested affair. Esquimalt has a strong team this season, and they always put up a good fight and it will take the green-shirts all their time to make their way into the finals.

WESTS AT FULL STRENGTH

The Wests will field their strongest team for some time. Godwin will play with Billy Allen at full-back, while the regular regular half-back line composed of Popham, Peden, and Hawkes will be on the field. The forward line will be strengthened by the addition of young Borde, who performed in two games for the Wests and showed up well. His reappearance to-morrow should make an improvement to the team.

Two teams composed of youngsters will battle it out in the second fixture. Although failing to win many matches this season, the Five C's have a nice team and play good football. The Thistles with their kick and rush style of play are a hard team to beat, and are confident of winning their way into the finals against the Wests or Esquimalt.

The Jackson Cup is at present held by Esquimalt.

Only one juvenile soccer game will be played to-morrow afternoon with James Bay meeting Royal Oak at Upper Beacon Hill. The match will start at 2:30 o'clock with Woodley as referee.

Teams for to-morrow's games will be as follows:

Victoria Wests — Passmore, Allen, Godwin, Hawkes, Peden, Popham, Connorton, Borde, Plump, Robinson and Mulcahy.

Esquimalt Juniors — Chalmers, Sweeney and Nicol; Smith, Banks and Vickers; Woolcock, Stewart, Burnett, Pepin and Thompson. Reserves, Bain and Hicks.

Royal Oak — Johnson, Halket, Blanco, Robbins, Chapman, Miller, Viggers, Moore, Bianco, Robbins and Thorpe. Reserves, Campbell, Brown, S. Robbins, manager.

Another Waner Signs

Johnstown, Pa., April 13.—Another Waner has signed to play in the Pittsburgh area. Travels, cousin of Lloyd Waner, who played for the Pirates, has signed with the Johnstown club of the Middle Atlantic League.

the 1928 Stanley Cup series was knotted.

The teams were as follows:

Rangers — Position — Maroons — Goal — Benedict — Defence — Stiebert — Dutton — Centre — H. Smith — F. Cook — Wing — Stewart — Gray — Sub — Munro — Boyd — Sub — Oatman — Bourgault — Sub — Phillips — Callaghan — Sub — Walsh — Referees — Marsh and Rodden, Toronto.

SUMMARY

First period—None.

Second period — 1, Rangers, F. Boucher 6:16.

Third period—No score.

PENALTIES

First period—Bourgault, Oatman, Johnson and Smith.

Second period—Johnson, Ward and Murdoch.

Third period—Johnson, Oatman and Stewart (2).

FOXY PHANN

Although poker players like money, they always hate to get a raise

Winning Players in World's Series Will Get About \$1,200

Montreal, April 13.—The players participating in the world's hockey series will cut up the richest meal in the history of professional hockey.

No official announcement has yet been made but it is expected the players' pool will amount to about \$25,000, with sixty per cent going to the winners and forty per cent to the losers. The pool is made up of the receipts of the first three games after the expenses are deducted.

It is expected that the members of the winning team will get over \$1,200 each, while the losers will draw down in the neighborhood of \$900.

WHERE WILL IT GO?

THE STANLEY CUP

Although four games have been played in the world's series at Montreal the teams are no further ahead than when they started, and the fifth game to-morrow night will decide the issue. The Montreal Maroons won the first and third games and the New York Rangers took the second and fourth.

Even in the playoffs the first games meant nothing. The Montreal Maroons and the Ottawa Senators ended their first game in a scoreless tie while the New York Rangers and the Boston Bruins battled to a 1-1 tie. The issue rested solely on the second games.

The Stanley Cup has done a lot of traveling in its day, having once been a carefully guarded trophy in this city. It has been in Portland, Ore., but never in the Eastern States.

The record of the cup is as follows:

1893—Awarded by Lord Stanley's direction to M.A.A. as champions of the A.H.A. of Canada.

1894—Challenge by Osgoode Hall, champions Ontario Hockey Association.

1895—M.A.A. defeated Queen's College, champions Ontario Hockey Association, 5 to 1. At Montreal, March 9.

1896—M.A.A. defeated the A.H.A. champions, 4 to 1. At Montreal, March 9.

1897—Victoria of Winnipeg, champions Manitoba Association, defeated the Montreal Victorias, 2 to 1. At Montreal, February 14, 3 to 2. December 30—Victoria of Montreal defeated Winnipeg Victorias, in Winnipeg, 6 to 5.

1898—Victoria of Montreal defeated Capitals of Ottawa, champions Central Canada Association, in Montreal, December 27, 15 to 2.

1899—No matches.

1900—Victoria of Montreal defeated Capitals of Winnipeg, in Montreal, in a series of matches, February 15, 18, and 19, won three to two; first match won by Montreal Victorias, 2 to 1; second match, unfinished, Referee W. Finlay leaving the ice on account of a dispute when the score stood 3 to 2 in favor of Montreal Victorias; Winnipeg declined to play further.

1901—Cup passed from Montreal Victorias to Shamrocks as champions of A.H.A. Shamrocks defeated Winnipeg Victorias in three matches in Montreal, first match, February 12, won by Winnipeg, 4 to 3; second match, February 14, won by Shamrocks, 3 to 2; third match won by Shamrocks, 5 to 1. Shamrocks defeated Halifax Crescents, March 6, 10 to 2, and in Montreal on March 8, by 11 to 0.

1902—Winnipeg defeated Shamrocks, January 29, 4 to 3, in Montreal, and on February 1, 2 to 1, in Montreal.

1903—Winnipeg Victorias defeated Toronto Wellingtons, January 21, 5 to 3, and on January 23, by the same score, in Winnipeg. Winnipeg Victorias, in Montreal, March 15, winning the first match, 1 to 0, but losing on March 15, 0 to 5, and on March 17, 1 to 2, in Winnipeg.

1904—Montreal defeated Winnipeg Victorias, January 29, 6 to 1; on January 31 played a draw, 2 to 2; last on February 2, 2 to 4, but won the contest by a victory on February 4, 4 to 1, in Montreal. The cup having passed to Ottawa as C.H.A. champions, Ottawa defeated Rat Portage, March 12, 6 to 2, and on March 14, 4 to 2, in Ottawa.

1905—Ottawa defeated Toronto Marlboros, February 23, 6 to 3, and on February 25, 11 to 2, in Ottawa. Ottawa and Montreal Wanderers played a draw, March 2, 5 to 5, in Ottawa. Wanderers subsequently defaulted. Ottawa defeated Brandon, March 9, 6 to 3, and on March 11, 9 to 3, in Ottawa.

1906—Ottawa defeated the Yukon team, January 13, 9 to 2, and on January 18, 23 to 2, in Ottawa. Ottawa, first first game to Rat Portage, March 7, 9 to 9, won, March 9, 4 to 2, and on March 11, 3 to 4, in Ottawa.

1907—Ottawa defeated Queen's College, February 27, 16 to 7, and on February 28, 12 to 7, in Ottawa. Ottawa

FIELDING IS IN FINE SHAPE FOR TILT WITH BURGE

Local Featherweight Completes Training For Important Ten-round Scrap

Number of Local Boys to Participate in Good Supporting Card; Five Bouts

Tommy Fielding wound up his training last night for his ten-round bout to-morrow night against Tommy Burge, of England, highly touted featherweight, who has been appearing on Vancouver fight cards for the past few weeks.

The bouts are being staged by Joe Bayley and will be held at the Tiltcum Gymnasium, Broad Street, starting at 8:30 o'clock.

Fielding is in first-class shape and is ready for the sound of the gong. He is being groomed and carefully handled for a long climb in the fight game, and Burge has been picked as the first hurdle for him to jump.

In his previous bouts here Fielding has shown plenty of class, being fast and shifty. During the past two or three months, under the direction of Joe Bayley, he has changed his style, and it is reported he has developed a knockout punch.

GOOD SUPPORTING CARD

Promoter Bayley has lined up a fine supporting card, with several well-known local boys listed.

Ernie Woodley, the local heavyweight, will step four rounds with Jimmy Ryan of Vancouver. This bout promises to produce plenty of action.

Tim Keist, making his second appearance in the pro ranks, will meet Cannon, another boy from Vancouver. Albion Davies has been matched against Spider Kelly, of Vancouver, while Neal will meet Johnny McDonald, also from the Mainland City.

High School Teams Play For Thomson Cup Here To-morrow

To-morrow morning at 11 o'clock at the Royal Athletic Park the Victoria High School soccer team, Island champions, will meet the High School champions of Vancouver in the finals for the Thomson Cup, emblematic of the school title.

A great game is expected, and there will, no doubt, be a good crowd in attendance.

Payne Uses Long Leg Of Marathon to Put Gavuzzi More Behind

Boys in "Bunion Derby" Have Short Run To-day; Granville Still Going Well

El Reno, Okla., April 13 (Canadian Press).—The eighty-two runners and walkers heading the cross-country marathon caravan, faced a twenty-three mile hike to Oklahoma City to-day.

Andy Payne, of Claremore, Okla., used the thirty-seven-mile lap from Bridgeport yesterday to increase his lead over Peter Gavuzzi, of Southampton, England. Payne finished in 6:26.24 to regain the leadership in the semi-final of the Pan-American women's amateur golf tournament over the Edgewater course here to-day, while in the lower bracket Miss Marion Turpie, New Orleans, former southern champion, will meet Mrs. Lee Mida, Chicago, western medalist.

Miss Collett, yesterday's medalist, flashed an even better brand of golf in defeating Mrs. John Arends.

BILLIARDS CHAMPION

Vancouver, B.C., April 13.—Harry Hodgson was crowned Vancouver City English billiards champion yesterday when he defeated B. Lineham 500 point match. Hodgson won the match 1,000 to 713.

CHIEF CANADIAN THREAT

Phil Granville, the Hamilton, Ont. walker, who has displaced John Cronk, of Saskatoon, as the chief Canadian threat, regained fourth place with total time of 27:51.35. Granville's time for the lap was 7:53. Cronk, in eighth place, covered the distance in 6:26.24, to bring the lap time to 29:81.60.

1908—Cup passed from Montreal Victorias to Shamrocks as champions of A.H.A. Shamrocks defeated Winnipeg Victorias in three matches in Montreal, first match, February 12, won by Winnipeg, 4 to 3; second match, February 14, won by Shamrocks, 3 to 2; third match won by Shamrocks, 5 to 1. Shamrocks defeated Halifax Crescents, March 6, 10 to 2, and in Montreal on March 8, by 11 to 0.

1909—No matches.

1910—Victoria of Montreal defeated Capitals of Ottawa, champions Central Canada Association, in Montreal, December 27, 15 to 2.

1911—Ottawa defeated Wanderers, in Montreal.

1912—Quebec won N.H.A. championship and cup, Quebec defeated Montreal, in Quebec.

"Alex the Great" At Forty-one, Holds His Spell Over Pirates

Alexander Pitches Wonderful Ball Against Pittsburgh and St. Louis Win Second Straight Game; Frisch Clouts His Second Home Run in Two Days; Cincinnati Come Through With a Win When Chicago's Infield Wobbles; St. Louis Browns Win Again

Grover Cleveland Alexander, he of the hoary thatch, still wears with dignity the appellation of "Alex the Great." The burden of forty-one Summers apparently rests lightly upon the broad shoulders of this old knight of the baseball wars.

Entering on his eighteenth major league season, Alex turned back the champion Pittsburgh Pirates without a run in the lists at St. Louis yesterday, while his Cardinal-mates amassed five.

Frankie Frisch, the Fordham flash, came in for his share of honors in making the Buccaneers walk the plank by producing his second home run in as many days, scoring behind Holm, who had tripled.

Although the experts relegated the St. Louis Browns to the lowest away level of the American League circuit, they broke out in typical Missonian manner with another decision over the Detroit Tigers, 7-5. Making his debut with the Browns, Jack Ogden, formerly of the Baltimore International, hurled a steady game against four opposing twirlers, Whitehill, Carroll, Stoner and Smith. Carroll, the ex-Holy star, blew up in the eighth, five runs scoring. Lou Blue, Tiger castoff, connected for a double and a single.

WON ON LESS HITS

The Chicago White Sox out-hit the Cleveland Indians by ten to seven, but dropped another engagement to Cleveland by 2-1. Langford's three-bagger with Jameson on base in the sixth inning developing what proved to be the margin of victory. Joe Shaute had the hit off his delivery wide distribution and received perfect support.

Cold and wet grounds forced idleness upon the other big league clubs, and revived the argument that the opening of the pennant races should be delayed until the last week of April.

GETS A TEST

Tommy Fielding who will meet Tom Burge in a ten-round bout to-morrow night at the Tiltcum gymnasium. Fielding is one of the most promising young boys developed in Victoria for a long time and hopes to go far in the ring.

MEETS MISS COLLETT

Biloxi, Miss., April 13.—Mrs. David Gaut of Memphis, Tenn., former western and southern champion, will meet Miss Glenna Collett, Providence, R.I., in semi-final of the Pan-American women's amateur golf tournament over the Edgewater course here to-day, while in the lower bracket Miss Marion Turpie, New Orleans, former southern champion, will meet Mrs. Lee Mida, Chicago, western medalist.

Dawson Plays Voigt In Pinehurst Finals

Pinehurst, N.C., April 13.—John Dawson, Chicago, conqueror in the quarter final rounds of Eddie Held, New York, medalist, won his way to the final in the men's north and south amateur golf championship by eliminating Donald Parson, Youngstown, Ohio, in the semi-final.

Both the quarter and semi-final were played yesterday. Dawson beat Held by 2 up and in turn downed the Ohioan by the same margin. The Chicagoan player to-day will attempt to wrest the tournament title from George Voigt, Washington, D.C., defending champion. Voigt yesterday saved himself by pulling out at the twentieth hole a match with C. Ross Somerville, former Canadian amateur champion. In the semi-final he defeated seventeen-year-old Charles Wilson, Southern Pine, N.C., a Georgetown University freshman, by 2 and 1.

Huddersfield Have Splendid Chance To Win Cup And League

But Have Hard Games in Front of Them; Betting Even on Rangers and Celtic

London, April 13.—With only four more games to play this season, contests in the English Football League from now on assume great importance for a number of clubs. In the First Division, Huddersfield Town have a fine chance to cop both league championship and Football Association Cup. They have a hard row to hoe, however. To-morrow they must journey to Highbury to meet Arsenal. Their remaining league fixtures include matches with Burnley, Leicester City and Portsmouth. In between they must play the cup final on April 21 with Blackburn Rovers.

EVERTON HARD PUT
Everton, runners-up for league leadership, also have a tough series of matches before them in Sheffield United, Aston Villa, Burnley and Arsenal. At the bottom of the table and facing demotion to the Second Division, just now, are the two Sheffield teams. The United team can be expected to put up a desperate fight in their remaining matches and may escape the axe, but The Wednesday appear doomed.

PROMOTION
In the Second Division, Chelsea has been pushed out of the leadership again by Leeds United, when the latter won a midweek fixture. No forecast can be made about what teams will earn promotion, as Leeds, Chelsea, Manchester City and Preston North End are so close together in the averages. South Shields will most certainly drop to the Third Division.

In the minor leagues it is sure that Millwall, leading the Southern section and Bradford, in front in the Northern section, will be elevated to the Second Division.

Glasgow, Scotland, April 13.—Teams who will represent the Rangers and Celtic in the Scottish Football Association Cup final to-morrow will likely be: Rangers—Hamilton; Gray, R. Hamilton; Muirhead (or Buchanan); McKillop; John, Craig; Archibald; Cunningham (or Simpson); Fleming; McPhail and Morton. Celtic—J. Thompson; W. McStay; McConeil; Wilson; J. McStay; McFarlane; Connolly; A. Thompson; McGory; McNally (or Wilson) and McLean. To-morrow's encounter will be the

Sees His Boxer Win Then Passes Away

San Bernardino, Cal., April 13.—Theodore Kinsen, former retired capitalist of Joliet, Ill., and lately manager of Neil Clisby, Riverside, Cal., negro heavyweight boxer, dropped dead shortly after seeing his boxer knock out Louis Alvarado, San Diego fighter, in the second round of a scheduled ten-round match here last night. A doctor said heart failure, induced by the excitement of seeing his man win, had caused the death.

Waddy Agrees To A Draw And Barker Is Again Chess Champ

Three Players Seeking B.C. Title Finish With One Point Between Them

With the last uncompleted game in the British Columbia chess tournament—the one between Waddy and Barker, in which the latter had a slight advantage at the time of adjournment, having been scored as a draw, Waddy having accepted Barker's offer to count it as such—Barker had again won the British Columbia chess championship.

The final scores for the tournament were: Barker 2½, Enke 2, Waddy 1½, thus making the closest finish possible. As winner of the tournament, Barker takes custody of the Ewing Cup, emblematic of the British Columbia chess championship, and also receives the gold medal for the year's tournament, which is presented by the British Columbia Chess Federation. Since John M. Ewing of North Vancouver ceased to participate in the annual tournaments, after he had won the Bower Shield outright with five consecutive wins, the provincial title has been held by Victoria residents; Barker in 1924, 1926 and 1928, and Enke in 1925 and 1927.

Commercial Ball League Will Open Season On May 2

Sidney and Tillicums Meeting in First Game; Four Clubs Enter

Commercial League Baseball will get started on Wednesday, May 2, with the Tillicums meeting Sidney, last year's champions, in the opening game at the Royal Athletic Park, commencing at 7:15 o'clock.

The opening ceremony will be staged with Andy McGavin, donor of the cup that denotes the league championship, and "Red" Ramsdale, donor of Red's Service Station Trophy, officiating.

Sidney, who won the league last season, have their old club practically intact and hope to repeat this season. The Tillicums will also trot out the same club as last season, and the youngsters intend to make a great fight for the silverware.

Four clubs will form the league this season, Spencer's and the Westholme being the other two clubs. At a meeting held last night the various managers reported their clubs were ready for the opening of the season, and prospects look good for another successful year.

Varsity Hoopsters Outclass Regina In Western Semi-finals

Appear Certain of Meeting Winnipeg in Finals; Score Last Night Was 63-30

Regina, April 13.—Regina basketballers will not have much to do with the Dominion championship this year. This much was made clear last night when Regina suffered a 63-30 drubbing in their first game against the British Columbia University. The second game will be played Saturday night, and as total points in two games decides the issue the University boys will likely continue their journey east to Winnipeg, there to take on the Toilers for the Western Canada championship.

The Regina boys were outclassed in every department of the game. The Vancouverites showed a marked superiority both on attack and defence.

LEAD SHORT LIVED
Although the local team got away to a good start and for the first few minutes enjoyed a lead, it was short lived, for the sharpshooting of the visitors soon made up for their deficiency and slowly they crept away from Regina. At the end of the first half the score stood 27-12 for the visitors and they more than held their own with Regina during the second period.

The British Columbia boys never used a sub during the whole of the contest. Regina was obliged to use a new man when Fitz Sandstrom was called out of the game at second half his favorite personnel. Burres took his place and during the half went on for Chuck Edwards. The changes, however, made no difference for the University boys.

The teams and individual scores were as follows:
Vancouver—Henderson (7), Butler (17), McEwen (10), Mayers (20), Grant (17).
Regina—Sterling (7), Sandstrom (1), Peebles (4), Edwards (6), McVine (6), Day and Burres.
Referee—Wellband, Moose Jaw.

Portland Swimmers Unable To Come To Victoria For Gala

Owing to the fact that the P.N.A. championships and Olympic trials will be held in their city, swimmers and divers from the Multnomah Swimming Club of Portland, Ore., will be unable to come to Victoria on June 4 for the intercity gala against the Victoria Amateur Swimming Club.

The Portlanders will stage the championships in their new Jensen pool now under construction. Upon completion of the pool the Portlanders intend to invite Victoria aquatic stars to participate in a gala there.

The V.A.S.C. have decided to hold their club practices at the Crystal Garden on Tuesday evenings, instead of on Tuesday nights, as has been the procedure for some time.

The annual meeting of the B.C. section of the Canadian Amateur Swimming Association will be held at the Y.M.C.A. to-morrow night. Warren Long and W. T. M. Barrett have been appointed to represent the V.A.S.C. at the meeting.

AMERICANS PLAN TO REORGANIZE TO BE A CONTENDER

New York Hockey Team Which Has Had Many Troubles Seeks Players

New York, April 13.—Definite steps for the complete reorganization of the New York American Hockey Club have been taken by the directors. A committee consisting of President Hanson, Walter C. Anderson and Secretary Tommy Gorman was appointed to negotiate for new players, and Mr. Gorman has been given full authority to deal with clubs in the National and Minor Leagues, and with players who are on the American reserve list. Mr. Gorman has gone to Canada to confer with some of the clubowners.

The Americans have had a peculiar history. In 1925 the Hamilton Tigers won the N.H.L. championship and were to have come to Victoria to play the Cougars in the world's series. The Tigers went on strike and the N.H.L. ruled them out of the final play-offs and sent the Canadiens here instead. The Tigers were all suspended, but they were reinstated, and the club sold to Joe Duggan and his associates who established them in New York. The club was expected to be a winner from the start, as Joe Simpson, Western star, had been added to the roster, and one or two other stars signed. The team went on the rocks, how-

WOMEN'S AFFAIRS

CLUB
AND
NEWSB.C. HANDICRAFTS
GUILD FORMEDTheir Excellencies to Attend
Exhibition in Vancouver

Vancouver, April 13.—At the first meeting of the general committee of the British Columbia branch, Canadian Handicrafts Guild, Thursday afternoon, J. W. Gehlke was elected chairman of the executive, and Mrs. W. H. Leckie was appointed honorary secretary. Mrs. Blanche Holt-Murison was requested to continue as organizing secretary-treasurer of the organization.

A special committee with Mrs. A. A. Ellis as convener was appointed to take charge of arrangements for the exhibition of handicrafts to be staged in conjunction with the reception of Their Excellencies, Lord and Lady Willingdon, April 19, at the Hotel Vancouver.

The exhibit has been made possible through the courtesy of the Women's Canadian Club, which is holding the reception. Mrs. Ellis's committee includes Mrs. M. L. Evans, Mrs. Arthur Anstey, Mrs. Mullin and Mrs. Nickerson.

The meeting also named Mrs. Ellis as convener of a technical committee and Mrs. M. L. Evans as convener of an exhibition committee. Other chairmen of sub-committees are Captain Watson, Armstrong, finance, and Mrs. Garland Foster, press.

CLASSES TO TEACH
MAKING OF RUGSVictoria Women's Institute to
Further Making of Chinook
Designs

To meet the widespread demand for further information on the art of making hooked rugs, the Victoria Women's Institute is arranging to hold the disposal of the Women's Institute classes of instruction in all branches of the work, which will commence as soon as the students have been registered.

The Girl Guides have placed their new headquarters on Langley Street, and for these classes, and Miss Ravenhill, who has herself made many beautiful rugs, will give the instruction and will pay particular stress on the importance of color in working out the patterns.

It is hoped before long to have a really good selection of artistic designs which will be a pleasure to make.

By the courtesy of the Chamber of Commerce, members of the Women's Institute will be in attendance at the auditorium of the Chamber of Commerce on Monday, April 16, from 2.30 to 4.30, to register pupils and give full information regarding the classes.

VANCOUVER CLUB
HAD BUSY YEAR

Vancouver, April 13.—A broader point of view with a better understanding of Empire and world affairs, this making for better women and better citizens, had been the aim of the Women's Canadian Club executive, according to the address given by the president, Mrs. A. C. Bagley, at the annual meeting on Thursday afternoon in Hotel Vancouver.

Mrs. Bagley thought the work of the past year had been strenuous but interesting, and the executive had faced the problems arising with the one idea in mind, the best for the club.

"Living always to keep before us the idea of unity in club, country and Empire, I think the executive has exerted influence to arouse this same spirit in the club," said Mrs. Bagley, who also mentioned the club's membership in the federation of Canadian Clubs, and also the part taken in the diamond jubilee celebration when co-operation with civic authorities had been a particular part of the organization's efforts at that time.

WOMAN PIONEER OF
VANCOUVER DEAD

Vancouver, April 13.—Mrs. Edith Anna Mills, former president of the Women's Auxiliary to the Vancouver Pioneer's Association and well-known social worker, died suddenly on Wednesday at St. Paul's Hospital. She was the wife of Mr. Isaac Mills, 2401 Alberta Street, and came to Vancouver in the spring of 1889.

SALVAGE WORK

Vancouver, April 12.—The Vancouver Drydock and Salvage Company's tug Helac is at the scene of the wreck of the Victoria tug Red Fir in Lewis channel. A survey will be made to find out if there is any chance to salvage the vessel. It lies in twenty-five fathoms of water. According to reports it struck a cliff head on early Wednesday morning and sank in forty-five minutes. The superstructure, loosened by the blow, floated off when it went down, and it is believed the forefoot is shattered.

One Thin Woman
Gained 15 Pounds
In 5 Weeks

Men and women, weak, thin and miserable, are urged to put on weight and get back their health and strength with McCoy's Cod Liver Extract Tablets.

One woman gained 15 pounds in five weeks and that's going fast enough for anyone.

McCoy takes all the risk—Read this ironclad guarantee. If after taking 4 sixty cent boxes of McCoy's Cod Liver Extract Tablets or 2 one-dollar boxes any thin, underweight man or woman doesn't gain at least 5 pounds and feel completely satisfied with the marked improvement in health, McCoy Drug Co., Vancouver Drug Co., or any druggist is authorized to return the purchase price.

NATIVE DAUGHTER PRETTY BRIDE

Mrs. Fraser Lister with her bridesmaid, Miss Nora Steneland, and her dainty little flower-girl, Miss Marian Millar, taken after the wedding ceremony on Wednesday. Mrs. Lister was formerly Miss Claudia Cullum, a popular native daughter of this city.

SOCIETY

Mrs. James Buchanan of Trail, is the guest of Mrs. E. B. Macleod, Viny Avenue.

Mr. A. D. Patterson, M.P.P., of Ladner, is spending a few days in Victoria.

Mr. Justice Murphy of Vancouver was a visitor in Victoria yesterday.

General and Mrs. Noel Money of Qualicum Beach are spending the weekend in Victoria.

Mr. Dalby Morrill of Stewart is visiting in Victoria for about ten days prior to returning North.

Miss Marion Blankenhach, Verrinder Avenue, has been spending the last week in Vancouver as the guest of friends.

Mrs. John Hutchison returned to the city yesterday from California where she has been visiting friends during the winter months.

General F. A. Sutton and Mrs. Sutton of Vancouver are among the visitors from the mainland spending a few days in Victoria.

Brigadier-General Duff Stuart and Mrs. Stuart of Vancouver are over to attend the ball at Government House to-night.

Mrs. F. N. Ballard of Vancouver, accompanied by Mrs. H. E. Chetham of Edmonton, is spending a few days in Victoria.

Miss Mary Wilson, Telegraph Road, Cadboro Bay, will leave to-morrow for Vancouver en route to England, where she will reside in future.

Mr. and Mrs. A. Fraser of Edmonton arrived in Victoria yesterday on a short visit and are guests at the Empress Hotel.

Mr. C. E. Sanders of Montreal, Canadian manager of the Atlas Assurance Company, accompanied by Mr. H. B. Leuty of Vancouver, arrived in Victoria this morning on a short visit.

Mr. and Mrs. John Inglis of Chehalis are spending a few days in Victoria as guests at the Stratford Hotel, prior to leaving for England, where they will spend the next six months.

Mrs. Jack Templeton entertained this afternoon at her home on Linden Avenue with three tables of bridge in honor of Mrs. Chastor Payne of Vancouver, who is visiting her father, Mr. E. Blackwood, Linden Avenue.

Miss Gwendoline Smallpiece, after spending some time in Victoria, has left for her home in Calgary. En route she is the guest of Miss Katherine Harrison in Vancouver for a few days.

Rev. Dr. W. C. Wilson left on Wednesday night for Toronto to attend a meeting of the Board of Education of the United Church of Canada. He will return in about a fortnight.

SEASON'S BIG
BALL TO-NIGHT

The Press Club's blossomtime ball at the Empress Hotel this evening commences at 9 o'clock and ends at 2 o'clock. The entire first allotment of tickets has been sold and an extra block of fifty will be on sale late to-day, the remaining tickets going on sale at the door for last-minute purchasers. There are two or three supper sittings arranged, so that the guests will be cared for at times they may desire.

JUBILEE ALUMNI
HONORS CLASS OF
1928 AT DINNERDelightful Affair Staged at
James Bay Hotel Last Night

Members of the 1928 class of the Jubilee Hospital training school, together with Miss Mitchell, director of nursing, and Miss Gregory-Allen, were the guests of honor at a dinner given by the Alumnae Association last evening. The delightful affair was held at the James Bay Hotel, seventy guests in all sitting down at the prettily-decorated tables. Mauve and gold flowers, and mauve candles in yellow scones, together with mauve candy baskets and favors, reflected the school colors of mauve and gold, and the use of candles only for illumination cast a pretty soft glow over the gay scene.

Mrs. Chambers, president of the Alumni, was in the chair. After honoring the toast to the King and "Absent Members," telegrams of greeting and regret at their unavoidable absence were received from a number of members, including Miss Jessie Mackenzie, who sent her good wishes to the gathering. Miss Legge-Willis proposed the toast to the 1928 class. Miss Oliver, class president, responding. Miss Ross, the senior of the class, proposed the toast to the Alumni Association, Mrs. L. S. York replying. Mrs. Chambers gave the toast to "Our Alma Mater," to which Miss Gregory-Allen responded in the absence through indisposition of Mrs. Bullock-Webster.

At the conclusion of the dinner the party was supplemented by a number of additional guests, and music and dancing was enjoyed, thus rounding out a delightful evening.

I.O.D.E. FETE FOR
SIXTEENTH COLORSBrilliant Cabaret and Gala
Night at Crystal Garden
Monday

To assist in raising funds for the purchase of regimental colors for the 16th Canadian Scottish Regiment, the Municipal Chapter I.O.D.E., in conjunction with the regiment, will stage a gala night at the Crystal Garden on Monday evening.

One of the principal attractions will be the cabaret, which is being arranged by the Commodore Brougham Chapter, under the direction of the regent, Mrs. D. B. McConnan. Mrs. E. C. McQuade is directing the rehearsals of the various "turns" by a troupe of charming piercettes. The whole troupe in very gay "jazz" costumes will sing the chorus, "Hallelujah" from the musical comedy, "Hit the Deck." This will be followed by "Dance" in which Mrs. McConnan will be the soloist, with a dance-chorus by the Misses Louie Polard, Caryl Tolmie, Dorothy Scott, Elsa Michaels, Helen Starr, Jean MacLachlan, Norma Pendray and Grace Kingham.

The cabaret supper is in the hands of Gonzales Chapter, the Lady Douglas Chapter will stage an art gallery. Florence Nightingale Chapter a punch-board; Dr. O. M. Jones Chapter, fortune-telling; Navy League Chapter, cigarettes; Robert Burns McKinnon, balloons and favors; H.M.S. Resolution, buttonholes.

The Equimatt Chapter is concentrating on the sale of tickets, while other chapters not specified above are lending assistance in various ways to ensure its success. Several of the chapter have fashioned very artistic posters advertising the fete.

Table reservations for the cabaret may be secured on application by telephone to Mrs. B. Tyrwhitt-Drake, 6940-L, Mrs. L. A. Genge, 1082; or Mrs. A. D. Munster, 62.

United Church
Auxiliary Elects
Year's Officers

The annual election of officers of the Women's Educational Auxiliary of the United Church was held yesterday afternoon with a good attendance of members. The election was presided over by Mrs. W. J. Sippell, honorary president; Mrs. R. J. Watson, president; Mrs. W. A. Guy, vice-president; Mrs. A. Sullivan, recording secretary; Miss Catherine Lothian, corresponding secretary, and Mrs. M. Bratt, treasurer.

The president's report for the closing year showed that the auxiliary had had a most successful twelve months. The six dormitories which the auxiliary had undertaken to furnish at the new Union College in Vancouver had this year been successfully completed. A bursary had been presented to Columbian College at New Westminster and other needs of the college supplied. During the year the auxiliary had been addressed by C. P. Fuller on the League of Nations. Following the business, afternoon tea was served.

Daughters of St. George.—The next meeting of St. George's Lodge No. 83, Daughters of St. George, will be held Monday, April 16. Members are requested to be present at 7.30 p.m., as the meeting will be followed, with a dance and card game. The members are asked to bring refreshments, and there will be good music for dancing and prizes for cards.

Echo of Local
Divorce Suit

Vancouver, April 12.—Following trial in Victoria which resulted in Mr. Justice W. A. Macdonald awarding John Ralph Mitchell, hardware merchant's clerk, an absolute decree of divorce from Zella Maud Louise Mitchell, whom the petitioner, a resident of Victoria, married there June 2, 1923, the judge in the Supreme Court here granted the respondent custody of a two-year-old daughter of the marriage. He made the order after learning Mrs. Mitchell had since married the co-respondent.

Ford Kaye, and that the petitioning husband had also remarried.

St. George's Day Banquet.—A whist drive, to be followed with a dance, will form the programme at the meeting of the local branch of the Royal Society of St. George on Tuesday next, in the Conservative Club Rooms, Campbell Building. Refreshments will be served, to be donated by members. Tickets for the forthcoming St. George's Day banquet to be held on April 23, in the Hudson's Bay dining-room, will be available at the meeting, and those who are expecting to attend the banquet are requested to make their reservations now, as the seating accommodation is limited to 300. Announcement is made that the Honorary President, Dean C. S. Quinlan, will act as chairman and toastmaster.

YARDLEY'S
Old English
LAVENDER SOAP
The Luxury Soap of the World

Though exuberant youth and dignified age alike have exchanged the garden seat for the swift-travelled automobile both still find loveliness in the reeking purity of Yardley's Old English Lavender Soap. For 168 years Yardley's has brought satin smoothness to hands and faces—and has left the clinging, freshening touch of Lavender's lovely fragrance.

The "CANARY" MURDER CASE

By S. S. VAN DINE
Author of "The Benson Murder Case"

"He wouldn't be," commented Vance. "Such gentry never are." Inter-estin' summary, though—ye, decidedly interestin'. I'm tempted to develop a psychoneurosis and let Ambrose treat me. I do so want to know him better. And where—oh, where—was this egre- gious healer at the moment of our erring sister's demise? Ah, who can tell, my Markham, who knows—who knows?"

CHAPTER XXVI

"You're so prejudicial," said Vance. "But let us move reluctantly on. What's your picture of Cleaver? The fact that he's familiarly called Pop is helpful as a starter. You simply couldn't imagine Beechoven being called Shorty, or Bismarck being referred to as Snookums."

"Cleaver has been a politician most of his life—a Tammany Hall regular. Was a ward boss at twenty-five, ran a Democratic club of some kind in Brooklyn for a time; was an alderman for two terms, and practiced general law. Was appointed tax commissioner; left politics, and raised a small racing-stable. Later secured an illegal gambling concession at Saratoga; and now operates a poolroom in Jersey City. He's what you might call a professional sport. Loves his liquor."

"No marriages?"

"None on the records—but see here: Cleaver's out of it. He was ticketed in

Lesson No. 3
Question: How does emul- sified cod-liver oil help protect grown people from coughs and colds?

Answer: Its easily assim- ilated cod-liver oil plus its wonderful vitamins, builds re- sistance by keeping the body vitamin-nourished.

Build up your resistance with pleasantly flavored SCOTT'S EMULSION

BOOTS AND HER BUDDIES—Why, Horace!

Boonton that night at half past eleven."

"Is that, by any chance, the water- tight alibi you mentioned a moment ago?"

"In my primitive legal way I con- sidered it as such," Markham re- sponded. "The summons was handed him at half past eleven: it's so marked and dated. And Boonton is fifty miles from here—a good two hours' motor ride. Therefore, Cleaver unquestionably left New York about half past nine; and even if he'd driven directly back, he couldn't have reached here until long after the time the medical examiner declared the girl was dead."

"As a matter of routine, I investi- gated the summons, and even spoke by phone to the officer who issued it. It was genuine enough—I ought to know; I had it quashed."

"Old this Boonton Dogberry know Cleaver by sight?"

"No, but he gave me an accurate description of him. And naturally he took the car's number."

"Vance looked at Markham with open-eyed scorn."

"My dear Markham—my very dear Markham—can't you see that a bu- collic traffic Nemesis handed a speed- violation summons to a smooth-faced, middle-aged, stout man who was driv- ing Cleaver's car near Boonton at half past eleven on the night of the mur- der?"

"That's exactly the sort of alibi the old boy would arrange if he intended tak- ing the lady's life at midnight or the hours."

"Come, come," laughed Markham. "That's a bit too far-fetched. You'd give every lawbreaker credit for con- ceiving schemes of the most diabol- ical cunning."

"So I would," admitted Vance ap- pletically. "And—d'ye know?—I rat- her fancy that's just the kind of scheme a lawbreaker would concoct, if he was planning a murder, and his own life was at stake."

"What really amazes me is the naive assumption of your investigators that a murderer gives no intelligent thought whatever to his future safety. It's rather touchin', y' know."

Markham grunted.

"Well, you can take it from me, it was Cleaver himself who got that sum- mons."

"I dare say you're right," Vance con- ceded. "I merely suggested the possi- bility of deception, don't y' know. The only point I really insist on is that the fascinat' Miss Odell was killed by a man of subtle and superior men- tality."

"And I, in turn," irritably rejoined Markham, "insist that the only man of that type who touched her life in- directly enough to have had any reason to do it is Markham, Cleaver, Lin- quist and Spotswood. And I further

insist that not one of them can be regarded as a promising possibility."

"I fear I must contradict you, old dear," said Vance serenely. "There're all possibilities—and one of them is guilty."

Markham glared at him derisively.

"Well, well! So the case is settled! Now, if you'll but indicate which one is the guilty one, I'll arrest him at once, and return to my other duties."

"You're always in such haste," Vance lamented. "Why leap and run? The wisdom of the world's philosophers is against it. Festina lente, says Caesar; or, as Rufus has it, Festinao vacua haster. And the Koran says quite frankly that haste is of the devil. Shakespeare was constantly belittling speed."

"He tires belittles that spurs too fast belittles!"

"Wise, and slow; they stumble that run fast."

"Chaucer also held similar views. 'He hasteth wel,' said he, 'that wyle can abyde.' Even God's common people have embalm'd the idea in number- less proverbs: 'God and quickly seldom meet'; and 'hasty men never want woe.'"

Markham rose with a gesture of im- patience.

"Hell! I'm going home before you start a bedtime story," he growled.

The ironical aftermath of this re- mark was that Vance did tell a "bed- time story" that night, but he told it to me in the seclusion of his own library; and the gist of it was this:

"Heath is committed, body and soul, to a belief in Skeel's guilt; and Mark- ham is effectively struggling with legal red tape as the poor Canary was strangled with powerful hands. Eheu, Van! There's nothing left for me but to set forth to-morrow a capella, like Gaboriaus, Monsieur Lecoq, and see what can be done in the noble cause of justice."

"I shall ignore both Heath and Markham, and become as a pelican of the wilderness, an owl of the desert, a sparrow alone upon the housetop. Really, y' know, I'm no avenger of so- ciety, but I do detest an unsolved problem."

(Thursday, September 13; forenoon)

Greatly to Currie's astonishment Vance gave instructions to be called at 9 o'clock the following morning; and at 9 o'clock they were sitting on his little roof-garden having breakfast in the mellow mid-September sun- shine.

"Van," he said to me, when Currie had brought us our second cup of coffee, "however sensitive a woman may be, there's always some one to whom she unburies her soul. A con- fiding, an essential to the feminine temperament. It may be a mother, or a lover, or a priest, or a doctor, or more generally, a girl chum."

"In the Canary's case we haven't a mother, and become as a pelican of the wilderness, an owl of the desert, a sparrow alone upon the housetop. Really, y' know, I'm no avenger of so- ciety, but I do detest an unsolved problem."

"Benjamin Browne was a well-known photographer of stage celebrities, with galleries in the heart of the city's the- atrical district; and as we entered the reception-room of his luxurious studio later that morning my curiosity as to the object of our visit was at the breaking-point."

Vance went straight to the desk, be- hind which sat a young woman with flaming red hair and masquerade eyes, and bowed in his most dignified manner. Then, taking a small un- mounted photograph from his pocket, he laid it before her.

"I am producing a musical comedy, mademoiselle," he said, "and I wish to communicate with the young lady who left this picture of yourself with me. Unfortunately I've misplaced her card; but as her photograph bore the im- print of Browne's, I thought you might find it good enough to look in your files and tell me who she is and where I may find her."

He slipped a five-dollar bill under the edge of the blotter, and waited with an air of innocent expectancy.

The young woman looked at him quizzically, and I thought I detected the hint of a smile at the corners of her artfully rouged lips.

But after a moment she took the photograph without a word and dis- appeared through a rear door. Ten minutes later she returned and handed Vance the picture. On the back of it she had written a name and address.

"The young lady is Miss Ailsa La Fosse, and she lives at the Belairfield Hotel."

(To Be Continued)

Don't Make a Has-been of Mother

By OLIVE ROBERTS BARTON

A letter from the mother of nine children to President Roosevelt, sponsor of large families, begged him rather pathetically to use his influence with men who outwore their wives, and with children who grew up with more respect for their fathers than for their mothers.

She declared that her husband, "accustomed to mix with the highest minds in the country," refused to dis- cuss things with her. "You wouldn't understand if I did tell you," she quoted him as saying. The older children took the same attitude. They would discuss things with their father but if she made an attempt to mix in the conversation she received merely a curt "Oh, Mother, you wouldn't know."

They admired their man-of-the-world father, at forty-five, but to them their mother was merely a creature who could keep house and make them comfortable, and not to be thought of as a mental equal.

To them she had given her mind, her body, her beauty, her life. This was their gratitude.

In Roosevelt's memoirs he remarks: "Whenever a man thinks that he has outgrown the woman who is his mate, he will do well to remember that whether his growth has been downward instead of upward."

Referring to selfish and ungrateful children he wrote: "I believe in a mistake to let other people be un- selfish, even when the other people are one's children."

But I don't know. I can't think it is always the mother's fault when chil- dren are selfish. It's born in some of them.

Your Baby and Mine

By MYRTLE MEYER ELDER

SOUR MILKS AND BUTTERMILKS IN INFANT FEEDING

Among the forward strides taken by authorities in infant feeding is that which has brought soured milks into common use. There is a sound founda- tion for such milks, and it is well for mothers to know how they may be used, even if they still prefer sweet milk.

Whole sweet milk (that which con- tains the usual percentage of fat) can be soured artificially by lactic acid or the use of a Bulgarian bacillus tablet and offers advantages for the small infant who is having difficulty digest- ing sweet milk. The child who has too many bowel movements when taking sweet milk, who has gas and disten- sion, will very likely be able to take lactic acid of "made" buttermilk with- out this trouble. Because of its ease of digestion it is possible to give a child a more concentrated feeding of soured milk than of sweet milk, which needs much dilution. Children whose stomachs are incapable of holding as much in quantity as sweet milk, need- ing to be nourished them, can take the same amount of nourishment in soured milk without the use of so much water.

Children who cannot take cream in any form without suffering from it can take fresh buttermilk, which is fat free, without disturbance and though fat free milk (skimmed milk or buttermilk) is not to be encour- aged for long time feeding, the child can be given the buttermilk and cream may be added to it slowly up to the point of his tolerance.

The older child who has tired of sweet milk may be delighted at but- termilk. In fact, one mother wrote me saying that the child refused sweet milk entirely but would take a glass of buttermilk, was it all right to give it to her? It is this attitude toward buttermilk which I hope to dispel. It is milk, and when made at home with whole fresh milk contains every prop- erty of the sweet milk. It is splendid in any diet where sweet milk is ad- vised and offers a refreshing change to the prospective or nursing mother who must down her quart a day whether or no.

The use of soured milks, in fact the early feeding of any artificial food should rightly be in the hands of a doctor who understands the amounts which a child is capable of taking. The letters receive I find a uniformity of opinion on lactic acid and buttermilk feedings; invariably the mother has found them success- ful. Personally I used it with my son, who had an intolerance for fat, and found it eminently so. On farms where good fresh buttermilk can be had on each churning day it should be in com- moner. Four ounces of sweet cream added to each quart of buttermilk will make it the equal of average milk.

BEAUTY
How and Why
By ANN ALYSIS

The square type of face is capable of many modifications. In the matter of size alone there are three distinct divisions, to say nothing of the in- numerable changes caused by combi- nations with other types.

If the square face is long it is en- tirely different in expression from the short square type, which type needs distinctive arrangement of dress and hair. The square face of short or medium length is not likely to give the same impression of severity and stern- ness as the long square type.

Should your facial lines follow the short square form, not modified by an oval or a tapering chin, dress the hair with a view to adding length to the outline, and comb it to a soft becom- ing curve over the forehead, thus breaking the too straight lines of your type, and adding the charm of the un- dulating wave.

As with the longer square type de- scribed in previous articles, avoid square neck lines and cleave to the very becoming pointed or rounded styles.

Fashions, both male and female, affect industry. Short skirts for women increased unemployment; while turned-up trousers for men benefitted the fancy-work trade.

OBITUARY

There passed away early this morning in the city, Mary Jeffery, wife of A. C. Jeffery of Victoria. The late Mrs. Jeffery was born in Dundee, Scotland, eighty-seven years ago, and had been a resident of Victoria for the last twenty-five years. The remains are being held at the B.C. Funeral Chapel from where the funeral will take place to-morrow afternoon at 2 o'clock, proceeding to the Royal Oak Burial Park where interment will be made.

PRAIRIE ARTIST

WILL LIVE HERE

So charmed with living conditions in Victoria upon his first arrival in this city last Sunday afternoon was Arthur Checkley, well-known artist of Saskatoon, that he decided to settle here. Mr. Checkley and his family are living in a home on Vancouver Street. An exhibition of his paintings will be made soon.

Had Resided Here

Sixty-four Years

One of the oldest residents of Victoria passed away last evening in the person of Mrs. Mary Murphy, widow of the late Nicholas Murphy. The late Mrs. Murphy was born in New York City seventy-two years ago, and had been a resident of Victoria for the last sixty-four years. The remains are being held at the B.C. Funeral Chapel from where the funeral will be held to-morrow morning at 9.45 o'clock, proceeding to St. Andrew's Cathedral where service will be conducted at 10 o'clock, after which interment will be made in Ross Bay Cemetery.

NEWS IN BRIEF

Girl Guides are asked to assemble at the swings in Beacon Hill Park to-morrow afternoon at 2.30, in readiness for the inspection by Their Excellencies at 3 o'clock.

Daylight saving time was recommended to the Chamber of Commerce to-day by the Victoria Senior Amateur Baseball League. The directors laid the matter on the table pending action by Vancouver.

A mill worker, named T. Hogard, crushed his foot while working in the lemon-Gonnam plant this morning and was taken by the C. & C. ambulance to the Jubilee Hospital for treatment. He is not seriously hurt.

Under the auspices of the Liberal Association a public meeting will be held to-morrow evening at 8 o'clock in the Colwood Hall when the speakers will be Hon. J. D. Maclean, Premier of the Province and Maj. S. F. M. Moodie. This is the meeting postponed from last Saturday evening.

The auditorium and offices of the Chamber of Commerce will shortly be redecorated in rich colorings, the directors of the Chamber were this afternoon informed. A committee will report on changes advisable in the catering arrangements.

"Have Faith in God," a fourfold Gospel message will be delivered by Dr. E. F. Webber this evening in the King's Hall at 8 o'clock, and to-morrow evening at 7.30 a special message will be given to young people, "How to Live a Successful Christian Life." These meetings are in connection with the Christian and Missionary Alliance special meetings which are in continuation during the month of April.

Lantern slides of scenes in England, Scotland, Ireland and a few of Paris are to be shown in St. Mary's Hall, Oak Bay, this evening commencing at 8 o'clock. In addition to the pictures a short programme of music and dancing will be given. There will be no charge for admission, but a collection which will be devoted to whatever purpose the audience may decide. Members of St. Mary's Sunday School and their parents are particularly invited to attend.

A decree absolute with custody of one child was granted Mrs. Minnie Barter, petitioner in a Supreme Court hearing to-day in a divorce action against Philip Leopold Barter, respondent. C. W. Bradshaw appeared for the petitioner in the undefended hearing. A decree absolute was also given in a divorce action of Walter King Willis versus Maude Louise Barter Willis, heard to-day C. H. O'Halloran appeared for the petitioner, W. K. Willis.

J. R. Maloney, charged with obtaining an automobile by false pretences from R. H. McLean, local car dealer, was sentenced to three months imprisonment by Magistrate Jay when called in the City Police Court this morning. Mr. Maloney related to the court the circumstances of the transaction in which the accused, had posed as a Federal agent of the Customs Department. Maloney has a police record.

CREDIT MEN

HERE IN JUNE

Seattle Convention to Charter Boats to See Victoria

Seattle has set aside \$7,000 to entertain the convention of the National Association of Credit Men in Victoria on Wednesday June 13. The Princess Kathleen will bring 1,700 delegates and ladies, and the remainder will be brought over on other vessels. The Chamber of Commerce directors were this afternoon informed.

Vice-president R. S. Stacy of the Dexter Horton National Bank, Seattle is making the arrangements for the visit and has asked the Chamber of Commerce to supply transportation from the city to the Drill Hall, where the party will be served luncheon.

Proposals for a band to greet the visitors and a strong committee will be formed to aid in every way in the entertaining of the party, a majority of whom are wealthy leaders in the commerce of the larger cities of the United States.

General regret was expressed that Wednesday afternoon closing will prevent the wealthy visitors from purchasing goods, that being one of the objectives of the visit.

NEW CANADIAN

ART HAS VIRILITY

Professor Farr Gives Interesting Talk to Authors

That the new school of Canadian art presents something arresting, new and vital, true to life and the great vast country in which we live, and that upon the foundation of material greatness which is now assured, a superstructure of cultural arts will be splendidly built, was the keynote of a most interesting address given before the Victoria and Islands Branch Canadian Authors Association last evening in Victoria College by Professor E. S. Farr, lecturer in history and economics, Victoria College.

Charming colored prints of pictures by several well-known Canadian artists were circulated among the audience to illustrate the points so ably brought forth by the speaker.

In the discussion which followed the address, S. E. Lang, Mr. Carmichael, Miss Coleman of Vancouver, Mrs. Rathorn and Miss Perry were among the speakers. Mr. Carmichael moved a hearty vote of thanks to Professor Farr and the motion was warmly applauded.

FIRST SWALLOWS

The first swallows, harbingers of Spring, are in town.

WINS SILVER MEDAL FOR HIGHEST MARKS

IN JUNIOR VIOLIN CLASS AT FESTIVAL

MISS ROSETTE LEE

daughter of Mr. and Mrs. J. S. Lee of Broughton Street, who won the silver medal donated by Mrs. R. W. Mayhew for highest marks in the junior violin class at the Musical Festival yesterday afternoon. Miss Lee took first place with 175 marks out of a possible 200, her test pieces being "Le Cygne" (Saint-Saens) and "Louise" (Bach). Miss Rosette is eleven years of age, and is a pupil of St. Ann's Academy. She is studying the violin at the Columbia School of Music. This diminutive lady is more than a violinist. She is an actress of merit, as many Victorians will remember who saw her in an appearance at the Capitol Theatre a few months ago. With her long dark braids and winning personality Miss Lee readily won her way into the hearts of her audience and it is safe to predict a brilliant future for her.

HELPLESS TO AID HIM, WIFE

WATCHES AS INDIAN DROWNS

When Canoe Overturns Near Nanaimo, Indian Couple Thrown Into Water, Wife Clinging to Anchor Line of Their Gasboat as Husband Makes Unavailing Effort to Clamber Over Side

Nanaimo, April 12.—Clinging to a gasboat anchor line, just off the north end of Newcastle Island, for half an hour, while she watched her husband struggle as long as he could to climb aboard the boat, and at length fall back exhausted and drown, Mrs. Louie Martin, an Indian from the local reservation, was taken from the water at 6.45 last evening in an exhausted condition.

Robert Martin and his wife, of Seventh Street, were fishing near the end of Newcastle Island when they heard calls for help. Approaching a gasoline boat, which was anchored off

the island, they found Mrs. Louie Martin clinging to the anchor line. They succeeded in getting her aboard the launch.

After recovering sufficiently to talk, the rescued woman said that she and her husband had been trolling for salmon in a canoe, after having anchored their gasoline boat. Upon returning to the launch to go aboard again, Louie stood up in the canoe, which overturned, throwing both occupants into the water. Mrs. Martin caught hold of the anchor line, while her husband caught the side of the launch. Owing to his heavy clothing he was unable to drag himself aboard, and becoming exhausted, finally released his hold.

ADMIRAL STORY

COMING TO CITY

Former Senior Naval Officer at Esquimalt Will Arrive April 26

Admiral W. O. Story, C.B.E., former senior commander at Esquimalt, will be in Victoria this month. He is announced at a meeting of the executive committee of the Victoria Branch of the Navy League yesterday.

Admiral Story is expected about April 26 and a luncheon will be held by the local branch of the Navy League in his honor.

Several matters of interest were taken up at the meeting yesterday. E. W. McMullen acted as chairman.

It was decided that the name H.M.S. Rainbow, previously chosen for the Victoria Sea Cadet Corps, be altered to H.M.C.S. Rainbow, also that no charge be made to boys for uniforms on joining the Sea Cadet Corps.

The matter of organizing a ladies' auxiliary to the Navy League was taken in hand.

Test pieces: (a) "Minuet in G" (Bach); (b) "Allergo Divade" (Sonatine in C major) op. 85, No. 1 (Kubla).
New Thought Temple—(Miss Crawford adjudicating).
Test pieces: (a) "Mystery" (Lily Alice Lefevre); (b) "The Wind Dancer" (Wilfred Campbell).
Class 34—Pianoforte, primary (under ten years), competing for the Marian Fleming silver medal. The entrants: 1. Janet Patton, 19; 2. Isabel Aude, 18; 3. Muriel Patterson, 18.

TO-NIGHT'S PROGRAMME

The special feature of to-night's session will be the large church choir or, church societies competition. Dr. Fricker will again conduct the combined choirs. Other numbers are the finals in vocal solo, soprano, tenor and pianoforte (open) classes, the junior choir, final, the instrumental trio, violin, cello and piano, and quartette S.B.A.A. competitions, and the winner in class 34, elocution to recite. Rev. Dr. Wilson will give the opening address at 7.45 o'clock.

FERRY TERMINAL

PLAN DISLIKED

Transfer of Mill Bay Ferry to Malahat Beach Criticized

"If the Mill Bay terminal of the Mill Bay ferry is moved, the new location should be adjacent to the Rotary 'watering trough,'" Reeve W. Crouch of Saanich this afternoon advised the directors of the Chamber of Commerce, in an interim report on the proposed change.

H. Cuthbert Holmes suggested that a superior site can be obtained at Village Point.

The suggestion to remove the ferry landing to Malahat Beach was discontinued, because of the heavy grade, which cars would have to negotiate between waterfront and the Malahat Drive. The owner of property nearby, which would have to be crossed to avoid a climb, was stated to be unwilling at this time to consider granting concessions for right of way.

AIR TOURISTS

MAY COME HERE

Victoria may be one of the stop-over points for the great air caravan which will start out from New York this summer, twenty giant planes and 200 passengers strong, to make a 7,800-mile swing around the continent, it was announced to-day by Cecil Eve, manager of the British Columbia Airways.

It is considered likely that Victoria will be included in the tour, as a side-trip from Seattle, and this will make Victoria the only city in Western Canada to be visited by the party. As Victoria is the only city in British Columbia with a fully equipped landing field, it will be the only Coast place on the Canadian side of the line that can receive the party.

War Veteran Is

Killed By Train

Penticton, April 12.—A. S. Miller, a resident in this district for more than twenty years, a well-known fruit rancher, was killed here at 11 o'clock this morning by the Kettle Valley Railway westbound train as it was backing out from the Lake Depot. His head was cut from his body by the tender's wheel. The deceased had been in ill health for several months. He was an overseas veteran and was highly regarded.

WOMAN BEATER

GOES TO JAIL

Eighteen Months' Imprisonment for Charles McKay, Longshoreman

Charles McKay, longshoreman, who pleaded guilty to assaulting Mrs. Jennie Smith in the Canton Rooms on Wednesday afternoon, was sentenced to eighteen months' imprisonment with hard labor by Magistrate Jay in the City Police Court this morning.

Mrs. Smith yesterday informed the court that the accused had beaten her with his fists until they were tired and then had resorted to kicking her. Her face was still swollen and bruised to-day, her right eye still almost closed and her mouth cut and discolored.

REALTORS HEAR

SHARP PROTEST

Aldermen Protest Premature Criticism from Real Estate Board

Criticism launched by the Victoria Real Estate Board against any move contemplated by the City Council to increase aldermanic salaries called forth protest from Alderman John Mara and Alderman Percy Brown.

Letters of protest from these two aldermen were read at the board's meeting to-day.

Alderman Mara, who was present at the meeting, told the board that their action was, in his opinion, hasty. He contended that the board had failed to acquaint itself with the facts of the case before launching its protest to the City Council.

Alderman Brown's letter rapped the board sharply. The complaint of the board, it said, was not calculated to create any better feeling between the council and the body of real estate men.

The board passed a resolution stating that it had moved under a misapprehension and expressing apologies. There were two dissenting voices.

PROSPERITY AHEAD

A. R. Green, manager of the Imperial Bank branch here, a newly elected member of the board, spoke briefly on being introduced to the members to-day, and asserted that he believed there was a revival in real estate activity ahead here. There were unmistakable signs of prosperity for Victoria in several directions, he went on, and could not but feel a sense of optimism.

CONVENTION PLANS

Final plans for the entertainment of delegates here for the convention of the Pacific Northwest Realtors' Association were announced at the meeting by Hubert Lethaby, secretary of the local organization.

NEW INDUSTRY

TO FEATURE PRODUCTS FAIR

Wool Handling to Be Demonstrated; Manufacturing Firms Join Show

Weaving of British Columbia and imported wools, which with the building of the worsted mills here is seen as the basis of a growing industry in Victoria, as well as in other coast cities, will be featured in a demonstration by the B.C. Department of Agriculture at the Home Products Exhibition to be held at the Armories from April 24 to 28.

The British Columbia exhibit, under A. J. Houston, will be extensive enough to include sections devoted to field crops, seeds, horticulture, colored to the Women's Institutes. Mrs. McLaughlin of the Women's Institute is to have charge of the wool-weaving demonstration.

The Sidney Roofing and Paper Company will install a movable exhibit, including a real waterfall.

The Hiker Toy Works will also have a movable exhibit showing the actual manufacturing of toys.

Actual manufacturing of beds and mattresses will be carried out in the exhibit of the Victoria Bed and Mattress Works.

Other firms who have already decided to have exhibits at the Fair are: B.C. Paint Company, B.C. Electric Railway Company, Durable Mat Company, Glycine and Pumice Soap Company, Weller Furniture Company, Brown's Victoria Nurseries, Albion Store Works, Sprout-Shaw School, Shelly Brothers, Cameron Stoker Company, Hudson's Bay Company, Jones Brothers, B.C. Peetz, Fire Prevention Department of the Province, Government, Printers' Union, Ormonds Limited, Wilkinson Barrel Company, J. Kingham and Company.

Applications are coming in from other firms and organizations who are planning on having representations at the Fair.

RETIRED BUSINESS

MAN DIED HERE

John Charles Richards, a former president of the Central Ratepayers' Association and a resident of this city for many years, passed away yesterday at his residence, 19 Lewis Street, aged fifty-nine years. Mr. Richards was born in London, England, and came to Canada in the early eighties. For many years he was head of the Victoria Mattress Works, retiring six years ago.

When he resided in Saanich, he took a prominent part in Saanich municipal affairs, being president of Ward Two Ratepayers, and subsequently of the Central Ratepayers' Association. Since retiring from business he had made his home in Victoria.

He was a member of the Sons of St. George. Mr. Richards is survived by his widow at home, three daughters and one son, resident in Vancouver. The remains are being held at Hayward's B.C.

Headaches

Don't "give in" to a headache as something that must be endured. Nor suffer the pains too many women accept as their "natural lot." Or any pain for which a tablet of Aspirin is always an absolute antidote!

Whenever you have an ache or pain, your first thought should be of Aspirin. Because it's sure-fire; it does stop pain—in a hurry. Because it's safe. Because Aspirin does not affect the heart. Every druggist has the real Aspirin of Bayer manufacture, with proven directions.

ASPIRIN

Aspirin is the trade mark (registered in Canada) indicating Bayer Manufacture. While it is well known that Aspirin means Bayer manufacture, to ensure the public against imitations, the Tablets will be stamped with their "Bayer Cross" trademark.

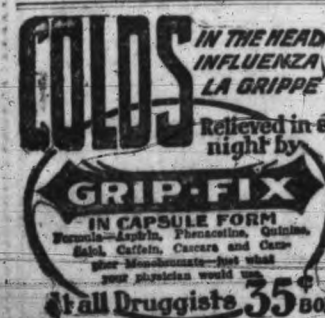

Brentwood

Brentwood, April 13.—Mr. and Mrs. Arthur Petch and Miss Violet Petch.

MAGNESIA BEST FOR YOUR INDIGESTION

Warns Against Doping Stomach With Artificial Digestants

Most people who suffer, either occasionally or chronically from gas, sourness and indigestion, have now discontinued the use of harmful drugs, stomach tonics, medicines and artificial digestants, and instead, following the advice so often given in these columns, take a teaspoonful or four tablets of Bismarck-Magnesia in a little water after meals with the result that their stomachs no longer trouble them. They are able to eat as they please and they enjoy much better health. Those who use Bismarck-Magnesia never dread the approach of meal time because they are assured of a pleasant and food-corrective, which can be obtained from any good drug store, will instantly neutralize the stomach acidity, soothe the stomach, prevent food fermentation, and make digestion easy. Try this plan yourself, but be certain to use Bismarck-Magnesia especially prepared for stomach use. (Adv.)

Premier MacLean, Addressing Manufacturers in Vancouver, Reviews Finances

Vancouver, April 13.—Members of the British Columbia division of the Canadian Manufacturers' Association heard three striking addresses at their annual dinner in the Hotel Vancouver last evening.

Premier J. D. MacLean made an exhaustive review of the finances of the Province.

Col. L. M. Cosgrave, Canadian trade commissioner at Shanghai, told of the growing trade opportunities for Canada in China.

Premier MacLean had the satisfaction of being assured by Edwin Tomlin of Victoria, retiring chairman, that the Canadian Manufacturers' Association had no occasion to comment upon the legislation of the past session of the British Columbia House other than in a complimentary way. Gratification was expressed at the reductions on taxation.

RESEARCHES AID INDUSTRY
Premier MacLean stated the Provincial Government was sympathetic towards scientific research, and as soon as the Federal Government's proposals were revealed in detail it would be prepared to co-operate.

It was the policy of the Government, he said, to legislate for all classes and to make as few changes as possible in legislation affecting capital. He attributed to some of the Government's legislation of recent years the fact that British Columbia had been more than ordinarily free from industrial unrest, a condition the Government had sought to foster.

TAXATION REDUCTION
After giving the figures of the British Columbia debt and taxation, the Premier cited statistics showing the obligations were not greater than the Province could bear.

It had been possible to make reductions in taxation during the past four or five years, as a result of which the Province was paying \$3,000,000 less in taxation this year than if those reductions had not been made.

The debt and taxation were not holding back increase of population, he said, as the number of children attending school had increased in ten years from 65,000 to 105,000.

Capital was not deterred from investing in the Province, as the capital invested in 1916 was \$650,000,000, and to-day was almost \$2,000,000,000.

BOND INTEREST
Bond buyers were satisfied with the Province's ability to pay, as the interest rates had been steadily declining until to-day the Province was paying the lowest interest rates of any province in Canada.

Increase in the debt and revenue of British Columbia were much less in proportion than their province during the same decade, the Premier said.

Only \$8,000,000 of the Province's revenue came from direct taxation, the remaining \$13,000,000 coming from fees and royalties, sale of natural resources, licenses, subsidies and other sources.

British Columbia's ability to pay for the ever-increasing public services it was demanding from the Government was exemplified by the fact that prior to 1914 taxation had taken 12½ per cent of the total production of wealth, whereas to-day it was taking only 8½ per cent.

The increase in revenue was due to the increase in the number of taxpayers, said the Premier. To-day there were 22,000 more people paying land tax to the Province and 20,000 more paying income tax than in 1914.

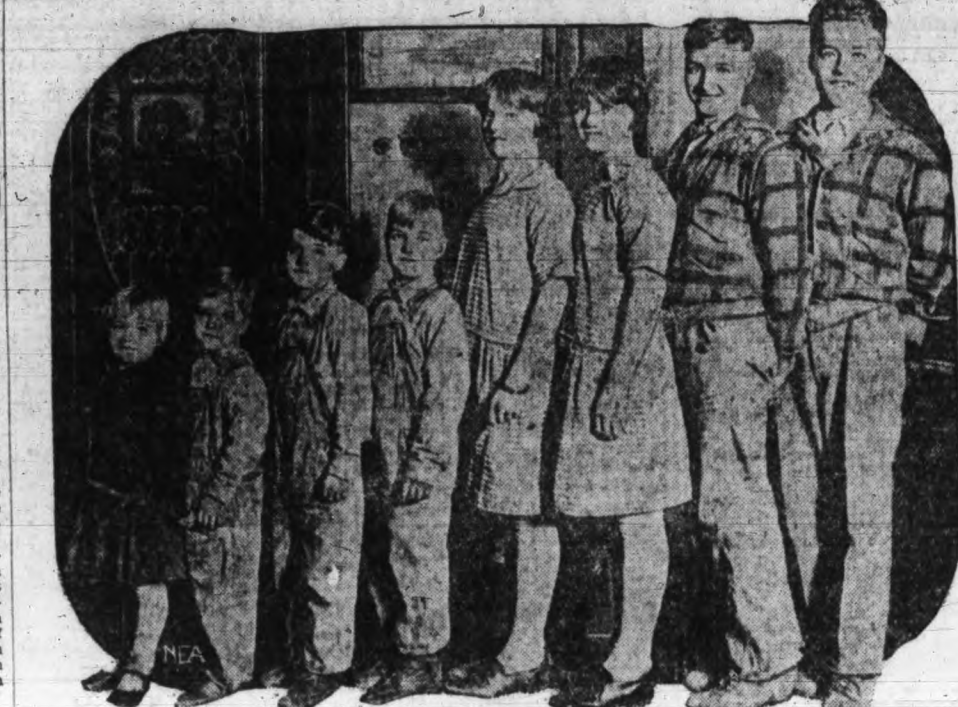

British Columbia's expenditures in the decade had increased only 24 per cent, whereas those of at least one other province had quadrupled. During the past three years there had been annual reductions in the total expenditures in British Columbia.

The credit of the Province was maintained by preservation of its sinking fund, said Mr. MacLean. For every \$100 of debt the Province had \$21 in the sinking fund, whereas the other provinces had sinking funds varying from \$10 to \$15 for every \$100 of debt.

Faith in the future of British Columbia was justified by recently published Federal statistics showing the per capita wealth of this Province at \$1,334, while that of the next highest province was only \$338, declared the Premier.

WILL INCREASE MEMBERSHIP
Mr. Tomlin announced that negotiations now under way were expected during the coming year to bring to the Canadian Manufacturers' Association a large increase in membership through affiliation of branches of industry not now members of that body. This was generally construed to mean the lumber industry, which maintains its own organization at present.

Fear that the gross income tax in-

FOUR SETS OF TWINS IN THIS FAMILY.—The world's record for twins is claimed by Mr. and Mrs. Andrew Koger of Council Bluffs, parents of four sets of twins. They have three other children who came all by themselves. In the picture, left to right, are Jeannette and Jean, Floyd and Lloyd, Addie and Abbie and Clyde and Claude. Mr. Koger is a carpenter.

roduced by the Government a couple of years ago would not prove satisfactory had been dissipated, said Mr. Tomlin, who stated certain industries would within the coming year apply to come under it in preference to their existing tax regulations.

AUSTRALIAN TREATY
The chairman scored certain Canadian public men who had been criticizing the Canadian-Australian Trade Treaty, saying that if Empire trade was to be built up there must be a spirit of give and take.

He placed the association on record as endorsing the Canadian-Australian Treaty, as well as the negotiation of similar treaties with other parts of the Empire wherever possible.

Gratification was expressed that the Federal Government had taken steps to further the work of scientific research and reference was made to the desirability of further Federal aid for technical education.

OFFICERS ELECTED
The following officers were elected by the British Columbia Manufacturers' Association: Chairman, J. H. Ross, Victoria; chairman of standing committees, J. H. McDonald, legislation; J. W. F. Johnson, tariff; W. F. McClintock, transportation.

Representatives of the division on the executive council, A. E. McMaster, G. E. Herman, Edwin Tomlin, J. W. F. Johnson, H. R. McMillan, J. H. McDonald, W. J. West, A. McKelvie and T. S. Dixon.

Pender Island, April 13.—The Women's Missionary Society of the United Church held their quarterly meeting at the manse. The programmes were used, and a report of the conference branch meeting was given by the delegate, Mrs. W. B. Johnston. Plans were made for undertaking the supply work during the coming week. The thank-offering amounted to ten dollars, and finances are most encouraging. Mrs. McNaughton kindly served tea, after which Rev. Mr. McNaughton closed the meeting with a short Easter message.

Easter services were held in the United Church at 11.30, Rev. R. McNaughton taking for his subject, "He Is Risen as He Said." Special music was supplied by the Misses Quinn, Mrs. M. Quinn and W. B. Johnston. At 3.30 p.m. the Rev. R. D. Porter conducted a well-attended service at St. Peter's Anglican Church, Port Washington.

Mrs. A. E. Geldart, who has been spending the winter in the States, Mrs. V. W. Menzies left last week for her home in Perdue, Sask.

Pete Huffman has moved from his place at the lake and taken up quarters beside A. H. Menzies, who is kindly assisting him in his advancing years.

Mrs. Maurice Quinn and Mrs. J. S. Lane, of Vancouver, and their young daughters are guests this week of their sister, Mrs. D. G. MacDonald.

Mr. and Mrs. James Bryant returned to their home in Victoria on Monday, after spending the past two weeks with Mrs. Bryant's daughter, Mrs. R. H. Auchterlonie.

Masters Jack Stiggins, Jack Craddock and Miss Hulda Craddock are home

WIDENING OF CADBORO BAY ROAD MOOTED

Oak Bay May Secure Strip of Land From City to Improve Bad Corner

Widening of Cadboro Bay Road at the bend near the Aged Men's Home is under consideration by the Oak Bay Council.

An offer from the city to convey a strip of land at the side of the road covering an area of 7-100th of an acre for a year's taxes on the Aged Men's Home amounting to \$492 was considered at the regular meeting of the council last night. It was suggested a larger strip of land, extending from Cranmore Road to Bowker Avenue might be secured and Reeve Hayward was delegated to interview Major Kirkpatrick-Crockett, city land commissioner, on this point.

With only five members present, the council disposed of a short agenda in quick time.

Permission was granted the Chief of Police to issue licenses to the following milk vendors: L. E. Corbett, Victoria City Dairy and A. K. Billard.

One week's holiday with pay will be granted to outside employees of the municipality who have been continuously employed for one year or more, it was decided following consideration of a petition from these employees.

The annual loan by-law authorizing borrowing up to \$50,000 was given final reading and passed.

The council will not take steps this year to establish a fire department for the municipality and the agreement with the City of Victoria for protection from its department for the sum of \$8,000 was ratified in a by-law.

LIQUOR CHARGES
London, Ont., April 13.—Prosecutions against railway trainmen and yardmen in Canada, and possibly customs officers in the United States, may result from charges made by Mayor G. A. Wenige of this city, that liquor was illegally shipped on the city-owned London and Port Stanley Railway and that the ramifications of the alleged illegal transportation extended far into the United States.

Bovril gives you energy without bulk

POLICE IN ITALY HUNT BOMBERS

Rome, April 13.—Premier Mussolini is personally supervising measures for the capture of those responsible for yesterday's bomb explosion in Milan.

Acting with the promptness which has characterized him in emergencies, he yesterday gave instructions himself for the capture of the perpetrators of the bombing and to prevent their escape from Italy. He also announced the dispatch of various inspectors-general of police from Rome to Milan.

In Milan yesterday terrorists placed a powerful bomb in the base of one of the electric light lamp posts lining the Piazza Giulio Cesare, and it exploded with terrific force, killing at least fifteen persons and injuring forty or more about the time King Victor Emmanuel was due to pass the spot. Thousands had gathered to salute the King on his way to the fairgrounds to inaugurate an exhibition.

The explosion tore the lamp post to pieces and sent great chunks of iron in all directions.

The King, who had arrived at Milan half an hour before, was delayed in proceeding to the fairgrounds by the enthusiastic populace which crowded the streets and the squares. It was due to the slowness of the royal procession that the King escaped being in the very midst of the disaster.

The King had made brief stops at historic points along the route and reached the scene of the explosion ten minutes after it occurred. He was about ten minutes late in his schedule.

Most of the people killed were blown to pieces. The infernal machine was composed of a tube filled with high explosives, and controlled by a time clock.

HOW DO YOU JUDGE? THE VALUE OF SOAP?

You can't tell by looks, nor by size or price! How, then, can you tell?

The surest, safest way to judge good value in soap is by the \$5,000 Sunlight Guarantee of Purity.

To women who know what harsh, impure soaps do to hands and fabrics . . . soap purity such as you find in Sunlight, is a boon.

This absolute purity of Sunlight Soap means so much. Sunlight Soap is purposely made to dissolve freely. The pure soapy suds cleanse quickly and thoroughly. Clothes are made snowy. Hands are not roughened or coarsened . . . fabrics are not damaged with injurious chemicals.

Sunlight's Purity is the standard by which millions of women judge soap.

And the number of women who prefer Sunlight is steadily growing.

LEVER BROTHERS LIMITED, TORONTO.

Down and Out With Asthma and Pneumonia

TANLAC Put Him on His Feet Again

"When Tanlac helped my little granddaughter so wonderfully, I thought perhaps it would help me too. Since I have taken it, I am feeling so fine I can hardly find words to tell how happy I am," writes Mr. John Jones, 19 Sterling Street, London, Ontario.

"I came here from Calgary because of Asthma. I was so badly run-down that I got a touch of Pneumonia which knocked me out completely. I could not get my strength back; had no appetite; was unable to work; and never knew what it was to have a good night's sleep. By the time I had taken three bottles of Tanlac, I was eating three meals a day, sleeping like a log, and I have been on my job ever since. My asthma does not bother me so much now. And it is a race between me and my granddaughter at mealtimes, for we both have splendid appetites."

Tanlac corrects Indigestion and Constipation—relieves gas, pain, nausea, dizziness and headaches. It tones up the whole system; brings back lost appetite; helps you digest your food; builds up health and strength. Tanlac contains no mineral drugs—only herbs, roots and barks—Nature's own medicines for the sick. The cost is less than 2c a dose; and your money will be refunded if you are not perfectly satisfied. Get a bottle to-day at your druggist's and give Tanlac a trial.

URGE BOXING COMMISSION IN VICTORIA

Board of Police Commissioners Registers Approval of Plan

New Constable Appointed to Fill Vacancy Caused By Accidental Death

The way was opened for the formation of a boxing commission in Victoria when a letter from W. H. Davies, sports promoter and secretary of the Vancouver Island Boxing Association, was read at a meeting of the Board of Police Commissioners yesterday afternoon. Mr. Davies advocated a commission to take full charge of the popular sport here, and the board has decided to move to discover what steps are necessary to bring about its formation.

The proposed commission, according to the suggestion emanating from the Boxing Association, would be composed of business men of this city in whose hands would be placed full control.

VOICES APPROVAL

Commissioner William White gave his entire support and approval to the suggestion. But he wanted to know whether or not the Board or City Council had power to make the arrangement.

Chief of Police John Fry thought the idea a good one, and one which would help the sport. Permission for boxing bouts would be granted through the board to the commission, he said.

On the suggestion of Commissioner Walter E. Staniland, an inquiry will be sent to Vancouver to ascertain what steps are necessary for the formation of a commission.

NEW PATROLMAN

The commission appointed a new motorcycle patrolman, N. Gower Griffiths, who will take up his duties as a probationary constable immediately. He will take the place of the late Constable Albert Wells, killed in a traffic mishap at the intersection of Hillside Avenue and Quadra Street on the night of December 19, 1927.

The new officer is an ex-policeman of the Glamorganshire Special Constabulary. He comes to the force highly recommended.

A request from the Victoria Police Mutual Benefit Association, that all members of the force be placed under the British Columbia Superannuation Act, to take effect April 1, 1928, and that all moneys deducted for superannuation purposes previously should

be refunded, will be considered at a later meeting by the board.

PLAN CONFERENCE

The Board of Commissioners and the members of the City Council will go into joint conference on Monday night to consider the Street Traffic Amendments By-law. Several suggestions from ratepayers will then be considered.

The commission decided to offer a reward of \$25 for information leading to the arrest and conviction of any person destroying parking standards about the city streets. Commissioner Staniland said that many of these had been demolished in one way or another during the past year, and that they were a continual source of expense.

COURT RECORDS

Fines and costs collected in City Police Court during the month of March total \$943.50, according to the desk sergeant's report received yesterday. There were 123 convictions and five cases dismissed. Sixteen accidents, with first aid necessary in several instances, were reported to police. The patrol wagon responded to 225 calls.

COLORFUL SCENES AT SIKH TEMPLE

Ceremonies Being Held in Honor of Birthday of Great Founder

In honor of the birthday of Guru Gobind Singh, tenth and last of the Sikh gurus and the real founder of organized Sikhism, 300 Sikhs from all parts of British Columbia assembled in the Sikh Temple on Topaz Avenue yesterday and with religious rite and ritual gave honor to their great founder. The day began early, and at 4 o'clock yesterday morning the temple was filled with worshippers. Gopal Singh read and intoned the prayers as prescribed in the Sikh devotion. A half came in the morning session when a number of Sikhs arrived from Vancouver. These were duly welcomed and entertained to the fraternal meal which was held in the temple dining-room.

TELLS OF FIRST GURU

In the afternoon Sohan Lal of Duncan gave an address in English in which he told of the rise of the Sikh faith under the leadership of the first guru, Nanak, who was born in 1469. This activity man had as his teaching the Fatherhood of God and the Brotherhood of Man. He rejected the institution of caste, idolatry and superstition, preached the existence of a universal spirit of whom all men are emanations, and set a high standard of moral life. In conclusion Mr. Lal stated that the Sikhs were a democratic, practiced brotherhood who were strongly and openly opposed to all forms of war.

SPEECHES GIVEN

Interspersed with the singing of hymns, several speeches were given to

the assembled Sikhs yesterday afternoon. A small choir of men sang to the accompaniment of an orchestra composed of drums, harmoniums and cymbals.

DECEASED PRIEST HONORED

In memory of a former Sikh priest of Victoria and Vancouver who died in 1915 at Duncan, his son Hardial Singh of Duncan was solemnly received into the order at the ceremonies yesterday. The deceased priest, Balwant Singh had done much to advance the Sikh cause in this country, at one time having intervened in the dispute at Ottawa and London in its behalf. The young Sikh was presented with a turban out of respect for his dead father and during the ceremony a "Chanted song of welcome was given."

WHITE PEOPLE VISIT

Hundreds of white people, mostly women, yesterday visited the temple where they evinced great interest at the Eastern customs. They had to be left on the veranda outside and as no chairs were provided all visitors had to either sit or kneel on the floor along with the Sikh men and women. In connection with the temple is a sort of hotel in charge of a priest, where visiting Sikhs are entertained during their stay in Victoria.

WATER SPORTS HELD FOR SERVICE CLUBS

Crystal Garden Scene of Much Merriment When Gyro Club Entertains Service Clubs

Under the auspices of the Gyro Club and other service bodies a Service Clubs' Night was held last evening at the Crystal Garden when a long and varied programme of water sports was run off in the big pool. Members of the clubs and their ladies, who witnessed the sports in the water, were given a great treat as they watched their more energetic comrades go through their paces.

Frank Burton took first place in the tub race, with Harold B. Elworthy a close second.

The canoe races brought forth much merriment on the part of the spectators and breathless excitement prevailed as the canoes, minus paddles, raced up and down the pool, spurred on to victory by the Crystal Garden Orchestra. All went well until the goal was nearly reached and then one canoe upset.

Fred Whiteside took first prize for the most comical dive, and Arthur Minnis reached a ham tied to the end of a greasy pole. The free for all fifty-yard swimming race ended in victory for Noel Collison, and by his victory he won the service clubs' championship indoor swim.

Following the sports in the pool a delicious supper was served in the banquet hall downstairs, the chair being occupied by A. W. Trevett, president of the Gyro Club. B. C. Nicholas of the Kiwanis Club gave a short talk and both he and Thomas McCafferty, chairman of the sports committee, were tendered hearty votes of thanks for all they had done to make the evening a success.

Special Values in Beds, Springs and Mattresses

With the spirit of Spring, change your old-time bed, worn-out spring and lumpy mattress for a new outfit. Our special prices and easy terms, without interest, will help you.

Terms at Sale Prices Without Interest

TO-DAY'S GRAIN MARKETS

(By Branson, Brown & Co. Ltd.)

Winnipeg, April 13.—Wheat: Decided weak in Liverpool, combined with rains or snow over a large section of the winter wheat belt, caused our wheat market to open sharply lower under a weight of profit taking sales and before the decline was checked prices had sunk 1 1/4 cents under the close last night. However, there was excellent buying by seaboard houses on the dip, which finally took the surplus out of the market, and when Chicago commenced to show strength, early sellers were rushed to get back their wheat and found offerings very scarce, with the result that prices climbed to one cent over last night's close.

There was liberal profit taking on the bulge, which caused reactions from top levels, but good reaction continued to develop on all recessions. Export business over night was not large, but there were bids in the market under existing levels, and this was shown by the liberal buying by exporters and seaboard houses on the break.

Europe needs lots of wheat and rye, and the foreign importer is not anxious to buy in a large way following the recent bulge, but is inclined to await the setbacks, but will probably come in if this market continues to show a strong tone, as Canada is now the only country in which they can get large supplies.

Flax—Trade was again small in flax, but the market was firmer in sympathy with the strength in the general grain list. Closing figures were 1/4 higher.

Public Confidence!

THE strength of a banking institution lies, not in brick and stone, but in public confidence. Seventy-two years ago The Bank of Toronto set for itself a standard of conservatism and adherence to sound banking principles which deserved confidence and has made it one of Canada's strongest financial institutions with assets of over \$129,000,000.

The policy that developed this banking strength has built sound financial foundations for many of the Dominion's well-known industrial and agricultural enterprises. It is a good policy for your business.

THE BANK OF TORONTO

VICTORIA BRANCH: C. W. Pangman, Manager

SHOWS GROWTH OF POULTRY AND DAIRY INDUSTRY

Buckerfield's Ltd. Build New Feed Mill and Elevator in Vancouver

Vancouver, April 13.—Evidence of the exceptional growth of the poultry and dairy industry of British Columbia is the new feed mill and grain elevator erected on Burrard Inlet at the foot of Rogers Street, Vancouver, by Buckerfield's Ltd., at a cost of \$250,000. This plant will relieve the pressure on the company's old mill at First Avenue, which is still working day and night.

The erection of this new mill brings another active industry unit to the skyline of Vancouver's busy waterfront. The company is now letting a contract for the construction of additional wharf sheds and a 220-foot berth for shipping. The plant is well located to ship by rail and water.

Few people in British Columbia are aware of the extraordinary growth of the poultry and dairy industry in this province, according to E. E. Buckerfield, president. In eighteen months the bird population had increased 100 per cent. This is accounted for not only by the growing number of poultrymen all over the province, but also by the expansion of well-managed poultry farms, and the establishment of large poultry colonies at points in the lower Fraser Valley.

These are being operated on a scientific industrial basis, resulting in an increasing output of eggs and birds seeking new markets in Eastern Canada and the United States. The possibilities that are awaiting successful poultry men are being illustrated by a shipment recently from Seattle of 80,000 cases of eggs for South America. Eggs from the Pacific Coast are in demand over the entire continent. The climate here makes the operation of poultry farms a much easier task than in the East. The reputation of British Columbia poultry has been well established by the high records our breeders have made all over the world, for example, the U.B.C. hen No. 6. Better feeding of flocks has become a very important factor in decreasing bird mortality, increasing production—making the entire operation a more profitable one.

In 1927 the estimated value of the poultry industry in British Columbia was more than \$7,500,000. Poultry population increased by 23 per cent, egg production by 18 per cent, and egg exports by 35 per cent. Several shipments of chicks from British Columbia to Ottawa and Eastern points have been made without mortality or injury. This progress has brought a report from a railway company remarking that "British Columbia, in particular, has achieved signal renown and has been despatching birds in large numbers of foreign countries."

The poultry sector department of Buckerfield's Ltd., Vancouver, is available without cost to all poultrymen and dairymen. Literature pertaining to poultry and dairy feeding is generously provided by this department without charge.

K.K.K. DEFENCE HEARD AT TRIAL

Pittsburgh, Pa., April 13.—Many witnesses took the stand in federal court here yesterday and denied that members of the K.K.K. Klan were armed or stirred up trouble with citizens of Carnegie, Pa., on the night of a riot there in 1923, when one Klansman was killed.

The witnesses were called by the Klan after five former members had testified that the Klan was the cause of the riot. The suit of the "banished" Klansmen, who sought to have a receiver appointed in Pennsylvania and an accounting of \$15,000 collected in this state, was dismissed on Wednesday by Judge W. H. Thompson for lack of jurisdiction.

John Ogle of New Kensington, Pa., testified three or four guards carrying revolvers in holsters, had been stationed about the field where the order held a demonstration before marching into Carnegie.

Henry C. Howard, Pittsburgh, said Hiram W. Evans, imperial wizard, had made every attempt to halt the parade of Klansmen prior to the clash between them and townsfolk at Carnegie, Pa., August 25, 1923. He testified that when the Klansmen began to march Evans implored Sam D. Richardson, Pennsylvania grand dragon, to stop them, but that they paid no heed to orders. Howard said the Klansmen were orderly and that, after standing along the line of march three miles into their ranks.

U.S. Senate Votes Farm Relief Bill

Washington, April 13.—The McNary-Haugen farm relief bill was passed yesterday by the Senate and sent to the House. The measure has undergone many changes since it was introduced last session, but it still carries the equalization fee which Attorney-General Sargent held was unconstitutional. Early passage by the House is confidently predicted by its advocates, but what will happen to it if it reaches the White House is still uncertain.

President Coolidge was reported as late as Tuesday as knowing of no changes which had made the measure conform to his ideas of constitutionality.

JULIAN PLANS B.C. ACTIVITY

Vancouver, April 13.—J. Edward Sears, a former Vancouver barrister who has been for the past year associated with the enterprises of C. C. Julian at Los Angeles, has returned to the city for a few weeks in connection with Mr. Julian's mining interests here. Mr. Julian is planning to spend a substantial sum in British Columbia this summer developing the properties he acquired a year or two ago, stated Mr. Sears.

The prosecution of directors of the Julian Petroleum Company, instituted by Mr. Julian through widely broadcast public declarations that they had been issuing and selling the large blocks of unauthorized share certificates after his withdrawal from the directorship, is still proceeding in Los Angeles, states Mr. Sears.

Julian has now been in progress for four months with sittings of the court held six days a week, so vast and complicated is the maze of evidence required to link up the whole story, states Mr. Sears.

LICENSE CONTROL DEBATED BY M.P.'S

Ottawa, April 13.—Amendments to the Excise Act, discussed in the House last night, provided, among other things, for suspension, cancellation or revocation by the Minister of National Revenue of any license issued under the act.

After the amendments had received second reading and during their discussion in committee, Hon. R. B. Bennett, Conservative leader, expressed the opinion that one amendment gave the Minister power he should not have. Under this section, a minister might work injury through exercising favoritism on the one hand of vindictiveness on the other. He suggested the Minister reconsider this clause.

It would improve the section, Mr. Bennett thought, if the Minister amended it so as to provide this power should be exercised only "in cases of conviction."

Hon. W. D. Euler, Minister of National Revenue, expressed the opinion no minister would ever cancel a license without adequate cause. He pointed out the old act had given the Minister power to refuse to renew licenses. If he was to have this power, surely he should be given the power of cancellation.

Mr. Euler moved an amendment to amend clause making it clear that no matter whether liquor was made by a distillery or by a province, excise duty was payable to the Federal Government.

After some further discussion progress was reported and the bill was allowed to stand over.

Hydro-electric Plant For Whitewater Mine

Vancouver, April 13.—With snow rapidly disappearing from the mountains, a hydro-electric plant for the Whitewater Mines is expected to commence within thirty days, according to W. H. Burgess, general manager of the B.C. Power Corp., at present in Vancouver on a business trip.

The machinery has already been purchased and delivery is expected shortly. It is proposed to complete construction of the plant by July at the latest.

Men have already begun work on the Bluebird project, states Mr. Burgess, who is also manager of Bluebird and B.C. Power. The station is a development work will be laid out by Arthur Lakes M.E. and when this is completed work on the Bluebird project will be pronounced.

Construction of the B.C. Power hydro-electric plant is being supervised by Mr. Burgess, the B.C. Power Corp. The new dam will be finished in a week and the plant will be ready to supply power when the present plant is completed.

Consisting of installation of flotation process machinery, is under supervision of W. L. Ziegler, mill expert. According to Mr. Burgess, the B.C. Power Corp. will join the ranks of the producers by midsummer.

POLICE TRANSFERS
New Westminster, April 13.—Sergeant John Macdonald, who has been in charge of the Provincial Police division here for several years, is being transferred to Penitentiary. He will be succeeded here by Sergeant W. Kier of Kamloops.

Seven in Ten Men Past 40 Need This Special Treatment
Writer Explains Wondrous Value of Doctor Southworth's "Uratabs" and Invites All to Try Them Without Cost Unless Pleased
With middle-aged ailments attacking over two-thirds of those past 40, every man who notices such distressing symptoms as lameness, pains in back and joints, is being urinated, "Getting-Up-Nights," Nervous Irritability and Lack of Force—should at once try the amazing value of Dr. Southworth's URATABS.

While new to many, the truly remarkable value of URATABS has been thoroughly proven by more than 40 years of successful use in the private practice of Dr. C. Southworth. Reports from Doctors and Users alike offer convincing proofs: "I have never found anything to help my case until I tried URATABS." "URATABS are the best thing for Bladder Weakness and Irritation I have ever used." "No more backaches, no more pain, no more daily embarrassment or Getting-Up-Nights. I now sleep soundly and get up in the morning full of pep—thanks to URATABS."—This is amazing evidence!

No matter how long you have been troubled or how stubborn your case may seem to be, a ten-day test of Dr. Southworth's URATABS offers comfort and relief—and you can make the test without risk of cost, for any good druggist will supply you on guarantee of money back if not satisfied. Try URATABS today!

Editor Brings News Of Big Developments

Vancouver, April 13.—Interesting news from Stewart is brought to town by H. W. M. Ralston, publisher of The Portland Canal News.

1. Careful estimates by leading business men of Stewart lead to belief that there is \$2,000,000 available for expenditure in mining development work in the vicinity of Stewart this year.

2. Replacement of bridges on the old Stewart short line railway recently taken over by the Canadian Northern Railway Company has already begun and other work will continue as soon as the snow goes.

PROSPECTORS BUSY
3. As a result of decision to rebuild and operate the railway, prospectors have been encouraged to stake claims on the mineralized belt over the summit of Bear Pass where fine showings have frequently been observed in previous years, but where staking was not worth while because of lack of transportation facilities to assist in development work. More new claims have been staked in the first three months of this year than during the whole of 1927.

4. Equipment has already been ordered by the Premier Gold Mining Company for construction of the tram line to the Porter-Idaho property recently acquired by that company.

This last mentioned development is

regarded here as of special significance as it sets at rest the doubt that has existed whether the Premier intends to proceed at once with development of the three grouped properties, Silverado, Prosperity and Porter-Idaho, that have now been consolidated as part of the Premier holdings.

The tram line, states Mr. Ralston, will run from Marmot Beach north and along the summit to the east of the Porter-Idaho. With Silverado on the west (or canal) side of the ridge under development and Porter-Idaho on the east (or Marmot River) side the Premier is in position to ascertain the potentialities of its new collection of claims with maximum expedition, he states.

ACTOR IN SANITARIUM

Los Angeles, April 13.—Norman Trevor, English actor of stage and screen, a former champion athlete of India and competitor in Olympic games, after leaving before this lunacy commission here yesterday was paroled to friends, who announced they would place him in a private sanitarium. The actor was taken into custody last week on a charge of being of unsound mind. The charge was brought for Trevor's own protection by his lifelong friend and fellow film star, H. B. Warner.

TRADE PACTS ARE VOTED BY M.P.'S

Ottawa, April 13.—First readings were given by the House yesterday to a bill to ratify a trade agreement between Canada and Czechoslovakia and bills regarding trade agreements between Canada and Estonia, Hungary, Latvia, Lithuania, Poland, Rumania, the Serb-Croat Kingdom and Spain.

The House last night gave third reading to a bill amending the Special War Revenue Act.

A resolution was adopted approving of the Geneva opium convention and protocol signed at Geneva on February 19, 1925.

The House was informed that under the Dawes reparations scheme, Canada had been paid to date \$10,000,000, which sum had been turned into the Consolidated Revenue Fund of the Dominion.

INVENTION STOPS THEM
Cleveland, April 13.—A new burglar alarm, designed by John Leitch of Detroit has been demonstrated to local police officials. The device consists of two sensitive cables connected to a steel box containing the mechanism beneath the car. When the alarm is set an intruder's attempt to manipulate the car would result in a din that can be heard from several blocks.

MONTREAL DEATH
Montreal, April 13.—Joseph Quintol, for more than forty years a prominent grain exporter of this city, died yesterday after a lingering illness. He was sixty-four years of age.

Just think for a moment what a wonderful servant your mouth is to you. There is no organ of your body in more constant use or of more importance. So be kind to your mouth. Each day, for a few moments, MILTONIZE!

Milton is the most delightfully refreshing mouth wash imaginable. A little of it mixed with water cleans and freshens your mouth and sweetens your breath at once. For false teeth, too, Milton is remarkably fine. Every germ Milton touches dies instantly. It is sure protection against ills which have their start from germs in your mouth. Such, for instance, as Colds, Sore Throat, Influenza. . . and Milton will actually arrest and prevent Pyorrhea. This has been proved by world-famous dental and medical authorities.

And Milton is safe. You can't have an accident with it. You could even drink Milton without receiving harm. It won't poison, burn or stain you. Buy a bottle from your druggist. Read the booklet of directions carefully. In five minutes you'll know why Milton has become a household word in Great Britain. . . in five days you'll be as enthusiastic yourself. For Milton really is marvelous. . . Three sizes, economical and inexpensive, 35c, 65c or \$1. If your dealer can't supply you, order direct.

Collard Called His Men Flogs

Ex-marines Now Living in Toronto Recall Incident Which Created Sensation in England in 1905

Toronto, April 13.—Another court-martial twenty-three years ago, in which the now Rear-Admiral Bernard St. G. Collard was also prominently associated, is recalled by two present residents of Toronto. Proceedings then resulted from an incident at Portsmouth naval barracks in 1905.

The then Lieut.-Commander Collard was officer in charge of a church parade on a wet Sunday morning, according to a former Royal Navy man. The day ground was muddy and puddled. The officer gave the command: "Front rank, kneel!"

"The men had their Sunday best on," the former sailor relates, "and some refused, whereupon the officer ordered: 'Down on your knees, you dogs!'"

"It caused an open revolt and the leader of it, a stoker, was court-martialed and sentenced to penal servitude. Marines from H.M.S. Venus were ordered, with rifles and ammunition, from the harbor to the barracks but the affair was settled by the arrival of an advance party who placed many of the men under guard."

Another ex-naval man living in Toronto declared that the stoker was the rank of warrant officer had to "double" across the parade ground for a period of ten years.

Collard's defence at the court-martial was that the order was given "for the knee" to facilitate all ranks

C.N.R. ANNOUNCES TOURS COVERING WHOLE DOMINION

Winnipeg, April 13.—Announcements of seasonally conducted tours, which will be operated during the coming tourist season by the Canadian National Railways show that all parts of Canada will be covered in these journeys and also that opportunities will be given to Canadians who wish to visit other countries with the advantages of personal direction by experienced conductors.

A tour to Great Britain, France, Belgium and Switzerland, covering the places of historic interest and beauty spots of these countries will leave Montreal on July 1, sailing on S.S. Laurentic of the White Star Line.

A tour to the Pacific Coast from the Prairie Provinces will again be operated this year, this being the seventh annual personally conducted tour of its kind. This tour has been exceedingly popular with Westerners during past years and it takes in all the interesting places on the coast, including Prince Rupert and also such magnificent playgrounds as Jasper National Park from Vancouver.

A tour will leave on July 23 for Jasper National Park and thence to Prince Rupert. This party will be limited to 100 persons and has been arranged on an all-expense basis. This year again the Kerr Bryson tour will operate from Toronto to the Pacific Coast, leaving Toronto on July 4, and returning July 26, after visiting the cities of Western Canada, the National Parks and making the steamship journey between Vancouver and Prince Rupert. An extension of this will take part of the party to Alaska. There will also be a roundabout journey which touches both Canadian and United States points of interest.

From Montreal and Toronto there will be operated the Adams Across-Canada tour, which will take from July 12 to August 4, the party visiting all points of interest of the journey across Canada and returning via the Great Lakes route.

Agents of the Canadian National system report heavy bookings for these tours at this early date.

Vancouver Exports Nearly 60,000,000 Bushels of Grain

Vancouver, April 13.—During the week, ending April 12, 2,449,849 bushels of grain were loaded into vessels at Vancouver, and the exports for the week ended 59,237,556 bushels, according to the weekly statement of the Vancouver Harbor Commissioners.

There are twelve vessels in port to load 2,228,000 bushels, and elevator stocks were 4,735,000 bushels with 3,241,000 bushels in cars in terminals and on British Columbia divisions.

Cascade Limited Will Make Fast Time to South

The fastest regular passenger schedule ever made between the north and San Francisco will become effective May 6, according to E. Hendry, Canadian General Agent for Southern Pacific, who announced speeding up of train service between Portland and San Francisco.

The de luxe Cascade Limited between these two cities will be placed on a twenty-two-hour schedule, making a total reduction of five hours in the travel time in two years.

Under the new schedule the Cascade will leave Portland at 10.15 p.m., arriving at San Francisco at 8.15 p.m. the following day, or one hour faster than the present running time. North-bound the Cascade will leave San Francisco at 8.20 p.m., arriving in Portland at 4.15 p.m. the next day, and with close connections to Seattle and Vancouver the Cascade will clip one hour and forty minutes from the present schedule.

"The new twenty-two hour schedule of the Cascade Limited," Hendry said, "will give the fastest, safest and most satisfactory service between the north and California that has ever existed." It recalls the days of 72 when 79 hours between San Francisco and Portland was thought a miracle of speed.

AUTO FERRY ROUTES

MILL BAY FERRY
Perry Canada, running between Victoria, British Columbia, and Mill Bay, leaves Victoria daily at 10.30 a.m., 12 noon, 2.30 p.m., 4 p.m., 6 p.m., 8 p.m., 10 p.m. on Mondays only. Leaves British Columbia at 9.15 a.m., 11.15 a.m., 1.15 p.m., 3.15 p.m., 5.15 p.m., and 7.15 p.m. on Mondays only.

Vancouver-Nanaimo Service
St. Princess Patricia leaves Vancouver daily at 7 a.m. and 2.15 p.m. St. Princess Patricia leaves Vancouver daily at 7 a.m. and 2.15 p.m. St. Princess Patricia leaves Vancouver daily at 7 a.m. and 2.15 p.m.

SIDNEY-ANACORTES

To-morrow's Horoscope

SATURDAY, APRIL 14, 1928

Benefic aspects rule to-day, according to astrology, which reads in the stars many kindly influences.

Women should be happy to-day, which is supposed to be especially lucky for those who indulge in much talking.

There is a sign read as presaging the revival of conservation as a fine art, and this rule is favorable to ready wit. There is a favorable aspect for love

affairs, and they who court to-day are likely to be in earnest.

This is a happy wedding day that should be the beginning of a long partnership.

The theatre is subject to the best influences to-day and both the screen and the stage should benefit. New stars of both sexes are to ap-

pear, but they are to be of serious mold and careful training. It is foretold.

The seers declare that mere beauty will cease to be the chief asset for an actress, since real art is to be demanded.

Floriculture again is subject to benefic influences, and the development of magnificent public gardens is forecast.

All the finer things of life are to receive renewed attention from the world that has been much concerned with material things; it is prophesied. Co-operative household methods are to flourish in many places, the stars indicate.

Increase of the birthrate is indicated for the year, which will bring into the world more boys than girls.

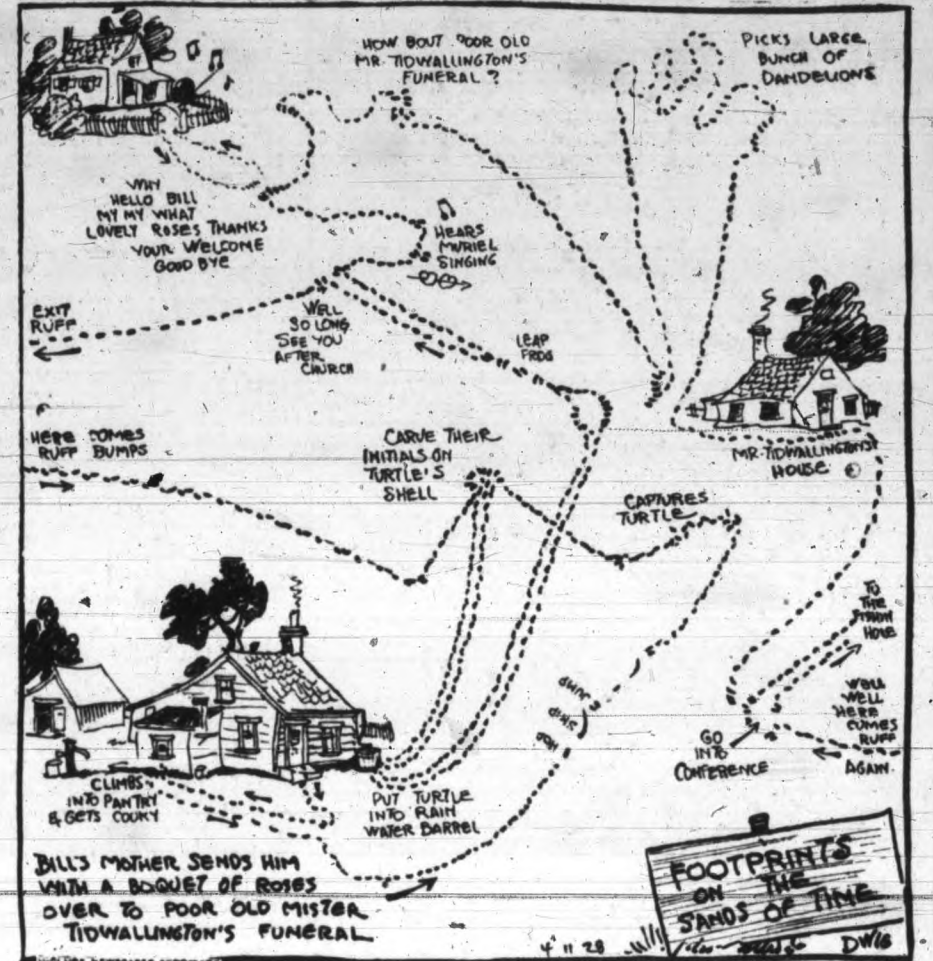

Persons whose birthdate it is have the forecast of a serene and uneventful year.

Children born on this day probably will have artistic natures that are difficult to guide, but success is indicated.

BEDTIME STORY

Uncle Wiggily And Johnnie's Toothache

Copyright, 1928, by McClure Newspaper Syndicate
(By Howard R. Garis)

Standing in the mud on the bank of the river, over which Uncle Wiggily had made his big jump, as I told you in the story last night, the Skilly Scallery Alligator looked at the pictures of the funny little men. The rabbit had drawn the pictures with a stick as a puzzle for the Gator to guess before he could nibble any ears. "What words do those funny men spell?" asked Mr. Longears. "Oh, they don't spell any words at all," snapped the Gator. "It is just a trick of yours to fool me. Anyhow it's going to rain and I'm going home before I get all wet! I don't care for ears, anyhow!"

So saying, the Alligator plopped into the river and swam away, for which the bunny gentleman was very glad. Then, looking up at the sky, Uncle Wiggily said: "I do believe it is going to rain. The Gator was right. But before it rains I'll do that puzzle sentence with the funny little men."

So with his stick, Uncle Wiggily changed around the letters which the

cried Johnnie the squirrel boy. "How my tooth aches! Oh, what a pain! Did you get the sassafras, Sallie?" "I have it here!" said Uncle Wiggily. Quickly he scraped off some of the bark and put it on Johnnie's aching tooth. The smart of the sassafras made the pain better, but Johnnie was still crying and Uncle Wiggily suddenly thought of a way to amuse him to make him forget the pain.

With a pencil made of a black stick, and a piece of white birch bark for paper, the rabbit gentleman made the picture. There was a bottle of ginger ale in the picture and a chest of tea, as well as a bush and other things. And Uncle Wiggily said:

"Those little pictures, together, Johnnie, spell the name of a friend of yours. See if you can guess who it is." And Johnnie was so interested in trying to solve the puzzle that he forgot his toothache.

I hope none of you have a tooth that aches. But, even if you have, see if you can do this puzzle. You know the name quite well, I think. And if the washrag will make a snowball out of talcum powder for the baby canary bird to play with, I'll tell you next about Uncle Wiggily in the rain.

SHOWING OF FILM OPPOSED
New York, April 13. — James W. Gerard, former United States Ambassador to Germany, has announced he plans to take immediate steps to prevent the showing in this country of the British film, "Dawn," depicting the trial and execution of Edith Cavell in Belgium by the Germans during the World War.

MUTT AND JEFF—Isn't Mutt's Son a Sweet Little Thing?

(Copyright, 1928, by H. C. Fisher. Trade Mark Reg. in Canada)

Out rushed Sister Sallie

puzzle picture men made until, written in the mud on the bank, was this:

"I LOVE YOU."

"I guess the Gator doesn't love me for playing a trick on him," chuckled Mr. Longears as he hopped away. "Well, I had an adventure out of it, anyhow. And now we'll see what happens next."

Along and along hopped the rabbit gentlemen over hills and down dales until, all of a sudden, he reached a cute little house built in a hollow place beneath the roots of a large oak tree.

"Oh, ho!" said Uncle Wiggily to himself, as he saw the little house. "Some friends of mine live in here, if I mistake not. I'll visit them."

Tapping with his paw on a piece of bark which was the front door of the cute little house, Uncle Wiggily was about to go in when, all of a sudden, the door opened and out rushed Sister Sallie, the little striped chipmunk girl. Sallie was hurrying so fast that she almost bumped into Uncle Wiggily.

"What's the matter, Sallie?" asked Mr. Longears.

"Oh, my cousin Johnnie Bushytail has such a terrible toothache," chattered Sister Sallie, "that I am hurrying to the woods to see if I can find some hot sassafras root to stop the pain."

"I'll go with you," offered Uncle Wiggily, for well he knew that an aching tooth is very painful indeed.

"Oh, thank you" chattered the chipmunk girl. So she and Uncle Wiggily scampered to the woods, where they soon found a sassafras bush, the leaves of which were just getting green. It did not take the rabbit long to dig up, with his paw, some of the strong sassafras root and then the two scampered back to the cute little house.

"Oh, dear! Oh, dear! Oh, dear!"

ENGLISH ROAD
SHOWS COMING
NEXT SEASON

Messrs. Frank O'Neill and Bert Lang
have made arrangements to bring out
more English attractions next season.

Early in September George Robey
will bring his entire production and
company in "Bits and Pieces," which
has been playing to capacity houses at
the Princes Theatre, London, for four
months.

Following directly after them, the
D'Oyly Carte Opera Company will com-
mence a thirty weeks' tour with fur-
ther songs from their repertoire.
Also, Christmas time Seymour Hicks
will play a return engagement across
the Dominion, followed by the
"Dickens" actor, Bransby Williams. In
all probability a big musical attraction
will be added to this list.

AT THE THEATRES

YOUTH DIRECTS
COMEDY FILM
NOW SHOWING

Mervyn LeRoy, the youngest film
director in Hollywood, whose chief
claim to fame, however, is the fact
that he is a highly skilled maker of
comedy, handled the megaphone on
"Flying Romeos," the first National
Picture featuring George Sidney and
Charlie Murray, which is now playing
here at the Playhouse Theatre.
The story involves a transoceanic
aeroplane, flight with Sidney and Mur-
ray as the unwilling pilots, and is said
to be the funniest picture in which
this highly popular team has yet ap-
peared.

LITTLE GIRL OF
BROOKLYN DANCED
WAY INTO FILMS

In Charlie Chaplin's new United
Artists comedy, "The Circus," now at
the Dominion Theatre, Betty Morrissey
will be seen in the role of the dis-
pearing girl. She is the circus magi-
cian's subject.

Betty hails from Flatbush, Brooklyn,
N.Y., and that is where she made her
appearance in the world in 1906. As
the years progressed she finally com-
pleted her studies at Erasmus Hall
High School, and then her parents de-
cided that a career in music would be
just to her liking. And with the study
of scales and bars she took up dancing,
specializing in eccentric and free steps.
But the lure of motion picture work
was strong and in 1922, Hollywood
claimed her. Her first part of promi-
nence was in Charlie Chaplin's great
success, "A Woman of Paris," in which
she appeared in support of Edna Pur-
viance in the portrayal of "Fifi," the
little gossip. Her work won a place
for her with Chaplin and in "The Gold
Rush," Miss Morrissey appeared as the
chum of Georgia Hale, the dance hall
girl. The third opportunity for Betty
under the direction of Chaplin, in "The
Circus," finds her in an entirely dif-
ferent portrayal.

SCENES TAKEN AT
SEA IN DENNY'S
NEWEST COMEDY

A cooling location trip at sea was
one of the benefits received by the
Universal troupe which made Reginald
Denny's latest farce comedy, "That's
My Daddy," the feature attraction at
the Capitol Theatre to-day.

A part of the story takes place on
a palatial private yacht, so without
much ado Director Fred Newmeyer
chartered a big boat for the filming of
party scenes which were made during
the night.

Every night for ten days more than
100 selected atmosphere players were
taken to the outer Los Angeles Harbor
where dancing on the deck was filmed
from a barge about 100 feet from the
yacht.

Several other barges were convenient-

Crystal Garden—Dancing and
Swimming.

ly located and filled with various light-
ing equipment which flashed their
beams gloriously across the water, giv-
ing a pyrotechnical display which made
harbor residents think that the United
States fleet was again in harbor. These
scenes were filmed more than three
miles from shore.

On this location trip the entire cast
participated, including Denny, Barbara
Kent, Lillian Rich, Tom O'Brien, Jane
La Verne, Mathilde Brundage, Wilson
Benge, Armand Kaliz, Charles Cole-
man, Art Currier and others.

Fred Newmeyer directed the film,
which was taken from the story by
Reginald Denny and scenarized by
Earle Snell.

DIRECTOR FALLS
INTO TRAP FOR
MYSTERY PLAY

Secret panels, hidden trapdoors and
trick chairs were so much in evidence
during the filming of "The Thirteenth
Hour," that even the director couldn't
remember where they were.

Chester M. Franklin, who directed
the new mystery drama which is at
the Columbia Theatre, admits it—he
fell afoul of one of them!

A large, overstuffed chair on one of
the sets in the new picture looked so
inviting that Franklin couldn't resist
the temptation to sit down in it. A
few months later, a muffled voice was
heard from behind a wall, saying:
"Someone open this trapdoor, and let
me out."

With Lionel Barrymore in the lead-
ing role the cast of "The Thirteenth
Hour" includes Charles Delaney, Jac-
quelin Gadsdon, Fred Kelsey, Polly
Moran, "Napoleon," the German police
dog, and others of note.

LOVELORN LASS
IS BEAUTIFUL
SAYS ACTRESS

"Have you ever been lovelorn?"
Pola Negri, screen star, declares that
the lovelorn picture of paths in all
imagination is a lovelorn girl, and this
is what she says:

"Though your heart may be breaking,

just feel encouraged by knowing that
you have 'lovelorn' paths provided
you do not cry too much and make
your eyes red."
Miss Negri has an absorbing scene
of loveliness in her latest Paramount

starring picture, "The Secret Hour,"
which is now showing at the Coliseum
Theatre, when she loses her heart to
Kenneth Thomson. Rowland V. Lee
wrote the story and directed the pic-
ture. Jean Hersholt has a powerful
featured role.

Dennis King, the Cut and Thrust Man
He Rapiers To Glory In New Operetta

By LEONARD HALL

New York April 13.—Six years ago
a young English actor, wearing the
shirts and pantalettes of "Charlie's
Aunt," was playing stock in Wash-
ington.

The citizens were invited to come
in at a dollar a throw, but not many
there. It was a tough winter for the
kid who was trying to get a foothold
on the American stage. To all ap-
pearance, he was just another juvenile,
and pretty seedy around the edges, at
that.

Little did we reek! Old Man Destiny
smacked the youngster on the button,
and when he woke up he found that he
no longer was a private in the rear
rank of the army of struggling actors,
but Mr. Dennis King, leading cut and
thrust man in the operetta world and
probably greatest comic opera, "The Three
Musketeers."

King's amazing shoot to fame and
glory came with his discovery of that
alm, gentlemanly weapon known as
the rapier. This ranks with Al Jolson's
discovery of Dixie and Eve's discovery
of the apple.

Young Denny's first great break came
when Jane Cowl gave him a shot at
Mercurio in her glorious production of
"Romeo and Juliet," and what he did
to that showy first act part is theatrical
history. He played it all over the
stage—such fire had not been seen
since Baltimore went up in smoke. He
slashed and stormed and snarled and
lunged, and when he died down among
the footlights, hissing: "A plague o'
both your houses!" the limp but ap-
plauding audience knew that a new
flame burned in the theatre.

At this time he was coining and
burning a good baritone voice. Rus-
sell Janney was casting for his great
operetta, "The Vagabonds—King," and
was half bawdy in his search for a
good Francis Villon. He got an eye-
ful of Dennis King as Mercurio, and
the hunt was over.

King rode to glory on the mighty

Dennis King . . . a D'Artagnan

FAMOUS AIRMAN
PLAYS HEROIC
ROLE IN "WINGS"

To "Rod" Rogers, famed as a pilot
but unknown as a motion picture
actor, goes credit for performing the
greatest death scene ever recorded on
the screen.

An American aviator, mortally
wounded and shot down in flames
from an altitude of 6,000 feet!
That was what Director William
Wellman wanted for a certain scene
in Paramount's great story of the avia-
tor in France, "Wings," and that was
what he got in the face of tremendous
odds, thanks to Rogers.

Wellman wanted it badly, but he re-
fused to ask the pilots in the company
to play the scene. Rogers heard of it
from other sources. "I can do it," he
said quietly.

Taking the plane up through and
above the gorgeous clouds and facing
an electrically-driven camera, which
was fastened to the front of the cock-
pit, he cut his flames and deliberately
plunged the "ship" into a tail-spin.
Down and around he went. In his
vivid portrayal of the dying aviator,
the intrepid pilot swung from one
side of the cockpit to the other as
the tail rolled in perky arcs. Down,
down, down! The earth flashed into
view. Then clouds. Then the sharp
rays of the sun. Then the earth again.
Down, down and down to a scarce 1,000
feet above the ground. Rogers sud-
denly "came to life." A grab and pull
at the stick. He straightened out, cir-
cling around and made a perfect land-
ing, much to the relief of the mem-
bers of the company who had watched
the performance from the ground.

When the negative was developed,
the members of the company who
viewed the "rushes" declared it the
greatest scene of its kind they had
ever witnessed.

The scene is but one of the many
wonderful incidents in "Wings," which
is coming to the Royal Theatre for a
